## STEM ENDORSEMENT

<https://louisianabelieves.com/courses/louisiana-stem-initiative>

- Silver Endorsement: Take the four required Biomedical Science core courses
- Gold Endorsement: Take any additional four elective courses listed on the Biomedical Science pathway brief

## WHO DOES THE PATHWAYS?

Students: Any TOPS University or TOPS Tech student

Teachers: Any teacher who is certified by LSU to teach the LSU electives

## WHY DO THE PATHWAYS?

Become a STEM teacher leader in your school

No high-stakes end of course testing such as an AP test or the LEAP 2025

Opportunities to participate in several grants and research projects

Ability to tailor a ready-made curriculum to your student population

Active support from peers in your cohort and curriculum developers

# Computing Pathway

## Louisiana State University

### Why Teach Computing?

Only 23% of Louisiana public schools offer computer science courses, but careers in this field are growing rapidly in Louisiana. Computer science skills are necessary for students to compete in the 21st century job market. The LSU Computing Pathway is designed for TOPS University and TOPS Tech diploma-seeking students. It offers courses for students to earn statewide industry-promulgated credentials, as well as a Silver or Gold STEM Diploma Seal.

### Requirements for Teachers

- Complete a summer training course on the computing pathway course you will teach
- Teach at least one computing course
- Attend one community of practice meeting each month during the school year
- Maintain an open line of communication with LSU Computing Pathway staff

### LSU Middle & High School Teachers

Qualified teachers receive \$4,100 per year for teaching courses

Ability to earn graduate credit for course training

Expand computer science education in Louisiana

Bring new opportunities to your students

Become a STEM teacher expert and leader in your school

# DIGITAL DESIGN & EMERGENT MEDIA PATHWAY FOR TEACHERS

Louisiana

## GOAL
