

Boyer Valley FAFSA Night

Monday, Oct 20, 2026

Boyer Valley High School will team up with IWCC and Talent Search to provide a free FAFSA (Free Application for Federal Student Aid) completion night. This will be an opportunity for parents to ask questions and to have assistance walking through the FAFSA filing process. We ask you and your child to complete the FSA ID username/password (<https://studentaid.gov/fsa-id/create-account/launch>) prior to the meeting. If your child comes from a split home, both parents will need to complete an FSA ID. If you have the FSA IDs completed prior to the meeting, you do not need to bring your 2024 tax returns to the meeting. The IWCC/Talent Search representatives will do the rest and complete the FAFSA for you at your scheduled meeting. The meeting will take roughly 20-30 minutes if you have your FSA ID completed ahead of time.

Every year you will need to complete the FAFSA, but after this initial meeting all you will need to do is log into your account and upload your tax information. The first time is always the most time consuming one, simply because each family situation is different. Luckily, the financial aid representatives have seen and dealt with all the possible family situations that are out there and can help walk you through anything that may arise.

This year we are going to offer two types of assistance. Option one, you could request a private meeting with a representative to help complete the FAFSA. Please have your child return the paper with your top three choices of selected times to the counseling office. We use a first come, first serve process to schedule times. The other option is more of an open forum where a representative will walk around and assist you if needed. Computers will be available for you to log onto your accounts. We encourage your child to attend the meeting as well.

Please have FSA ID completed prior to the meeting. It is extremely important to have this done ahead of time. We will contact you one week prior to the date with confirmation of the time and what you need to bring to the meeting. If you have any questions, please feel free to contact the counseling office to confirm the time and review meeting essentials.

Thank You,
