

Inver Grove Heights Middle School PTSA

MISSION STATEMENT

The Parent Teacher Student Association will act as an organization to assist in the following ways:

1. To support educational programs and activities that benefit students, school staff and parents.
2. To be an additional branch of communication between school and home.
3. To encourage parent, school and student involvement in our school and community.
4. To promote our organization and school in a positive light to the community.

There's a simple way to help your child succeed: Join the PTSA! The IGHMS PTSA is a parent volunteer-led nonprofit organization dedicated to enhancing the student and staff experience. We support special grade-level events, teacher and staff appreciation initiatives, conference meals, and the Scholastic Book Fair. We also help fund additional classroom supplies, support Flex Time, WEB, and AVID programming, recognize student achievements, and provide supplemental programs and resources that enrich our school community.

Please fill out the form below and drop it and your payment at the Middle School Main Office, or mail it to: IGH Middle School PTSA, 8167 Cahill Ave., IGH, MN 55076.

Thanks for being involved!

Visit us at www.isd199.org/schools/ighms/ptsa and follow us on Facebook @ Parents of IGH Middle School Chat **for information about PTSA events or activities. PTSA officer email information is available on the website or email** ighmsptsa199@gmail.com.
