A Thought to Ponder from The Urantia Book

The Only

“God is the only stationary, self-contained, and changeless being in the whole universe of universes, having no outside, no beyond, no past, and no future. God is purposive energy (creative spirit) and absolute will, and these are self-existent and universal.”

唯一

「在整個由眾多宇宙組成的整個宇宙中，神是唯一靜止的、自我-蘊含的和不變的存有，他無遠弗屆，無始無終。神是有目的的能量(創造的靈)和絕對的意志，而這些是自我-存在的及遍在的。」
