

Career Motive-8 - Sponsorship Opportunities

Career Motive-8 brings together more than 120 business and industry partners to inspire and engage Naperville 203 eighth-grade students as they begin exploring future career pathways. This hands-on experience helps students connect classroom learning to real-world careers while building relationships between schools, businesses, and the community. More information about the event can be found at www.naperville203.org/career-motive-8.

Sponsorship support helps create an engaging, meaningful, and memorable experience for more than 1,200 students each year. By becoming a sponsor, your organization helps empower students, strengthen workforce connections, and invest in the future of our community.
