Varsity women take 1st place!

This is the first time a PNXC team - either gender- has won an invite at Detweiller Park. We took down #1 ranked defending state champs Barrington, along with a number of other ranked teams. We did not do it by doing anything crazy. We simply had girls do their jobs, run for each other, and believe they could run this type of race on a big stage. I am proud that we ran well on a day with less than ideal conditions... that we did it with some girls not having their best days (that's ok- it happens), and we had 3 freshmen show no signs of being intimidated by this race. We also had returning runner, Ayla, prove that she is, in fact, on a new level this season. It's fun, it's exciting, and we will enjoy this one... And then get back to work. We can

continue to get better, which is exciting. Keep the ball rolling, keep doubling down on support for each other and having fun with teammates.

Top 5 split: 17:26 - 19:00 (1:34)

Varsity men take 2nd place!

We ran a much improved race from last year, but it was not good enough on this day to take down defending champs DGN. We placed 3rd last year, and 2nd the year before. We ran solid, but far from our best day. We will get better and continue to tighten some things up. As it should be, to take down the defending champs, we have to go out and TAKE it. We cannot expect anything to be easy or given to us. The rest of the state is going to continue to improve, we must commit to doing the same and keep going after our goals with urgency and joy. We had some guys run huge races (Dom Frigo, AK, Liam, etc) and performances like these continue to challenge everyone to keep getting better. The ball definitely stays rolling.

Top 5 split: 14:37 - 15:29 (52-sec)

Open men place 3rd

Sean Jansen leads the way with a 2nd place overall finish (15:53)

Open women place 9th (top-10!!)

Freshman Audrey Maresca leads the way with a big PR and 36th place finish (21:03)

Marlie places 3rd, Thomas places 2nd to lead Varsity

Laurel, Olivia, and Kate: #2-3-4 freshmen in the Varsity race.

(The only freshman to run faster in the varsity race was race winner Lennox Szymonik)

(Laurel, Olivia, and Ayla ran together throughout the race)

Ayla runs 2:04 faster than last year to place 26th!

Ayla ran 20:58 in this meet her freshman AND soph years. This year: 18:54.

Dom Frigo- 15:09, 18th place

(Last year: 15:44)

AK & Liam- 15:29 (39th/40th places)

(Last year: AK- 16:18/ Liam: 16:33)

**Chase Hemmer improves over 2:00/ Mitch Rudland over 1:00/ Austin
Krumin over 4:00! (22:28 → 18:16)**
