

Quick Parent Checklist: Loyalty Points & Social Accounts

How do I know how many loyalty points my child has?

- Log into your **Parent Portal**.
- Go to **Students > Gamification** to see each child's points.

Can I use points when signing up for classes?

- Absolutely!
- When enrolling through the **website or portal**, you can apply points on the payment page.

What if I have more than one child?

- You'll see loyalty points listed separately for each student.
- Choose how many points to use for each one.

Can I spend points in the iCode store?

- Yes!
- Visit the **Store**, sign in, and your points will show at the top.
- Use them at checkout—super easy!

What happens if my points don't cover the whole payment?

- No worries.
- The system will show the remaining balance, and you can pay that by card.

How do I connect my child's social media accounts?

- In your **Profile > Social**, choose your child and click **Connect Now** for the platform.

- Enter their social media login, and they're connected.

 Why should I connect social accounts?

- This helps your child earn even more points through social engagement and boosts their gamification rewards!

 Where can I find help videos?

- We've got you covered!
