

ELIGIBILITY FOR SALARY INCREASE (Classified Staff)

Only classified staff who are rated above unsatisfactory in all categories on the evaluation form are eligible for compensation increases approved for the following year. An unsatisfactory rating must be in writing and presented to the employee.

Classified staffs employees rated unsatisfactory on their evaluation form, who are not dismissed, will become eligible for an increase in compensation equal to the increase granted to the other support staff in their category during the interim, on the first of the month following an evaluation rating above unsatisfactory in all categories.
