

waiting for the world

the future isn't far behind
i steal a glance over my shoulder
i'm never sure what i'll find
closing the gap as i grow older
but i'm sure it's gaining ground
footsteps echoing in my ears
it'll catch me, it'll drag me down
the time i fear is growing near
and i...

it's time i did something
it's time i did anything
i'm tired of sitting still
waiting for the world
it's time i did something
it's time i did anything
i'm tired of sitting still
waiting for the world
waiting for the world

remember all the plans we made
and all the things that we talked about
and when memories fade
i don;t want to be left without
and so i'm ready to take that chance
and risk throwing it all away
i don't want to be looking back
'cause i couldn't live with myself that way
and i...
