

Kew Gardens

All of Year 5 are going to visit Kew Gardens. We will be out of school for the whole day, so there will not be normal lessons. **That is ok.**

We will come to school at the normal time.

We will:

- wear comfortable shoes
- bring a raincoat in case it rains
- wear a sunhat
- bring a waterbottle
- bring our packed lunch (or our teacher will give it to us if we normally have a school lunch)

The register will be taken. We will all go to the toilet and then we will line up with our partner to get on the coach

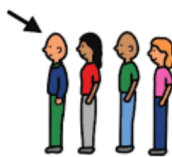

On the coach, we will stay seated for the whole journey keeping our seatbelts on. We will talk quietly with our partner and use our kind words and gentle hands.

When we get to Kew Gardens, we will all get off the coach and line up.

We will walk to the entrance and visit the toilet. We can tell an adult if we need the toilet at another time.

During the day we will:

- Visit the different Biomes
- Discover which plants grow in the different biomes and what they need to survive
- Walk around the Treetop walkway

On our trip, we will use our kind words and gentle hands. We will talk to an adult if we need help or the toilet.

When it is time to go back to school, we will go to the toilet and then get back on the coach with our partner.
