Hi David.

I noticed you haven't been so active on Gains Club grams lately.

This is an opportunity to “rebrand” your IG and promote your website on it.

For *more* people to sign up to your newsletter **which** you can use to promote your products to *hundreds* of people.

Below I left what I like to call "Leads-Monster" designed for your website to help you start off with the idea of getting more newsletter signups.

Legion Athletics & Ghost Lifestyle were some of the best brands I took inspiration from for the “Lead-Monster”, and for other ideas in mind...

Don't hesitate to get in touch & I'll share another piece of value for your business.

All the best,

Muhammad Al Ameen.
