

Date: 6/27/2026

Time: Registration 10:00 am. Start time 10:30 am.

Location: Rogue State Games

Address: 115 Franklin Turnpike Unit 2C, Mahwah, NJ 07430

Brief Description of your event:

Join us for our first H1 Rogue State Games Shatterpoint Championship! We'll be hosting three rounds of play with swiss pairings.

It will be in Threemiere format. During Strike Team Selection, players will submit a list of 3 separate squads. Each squad must be played a minimum of once.

We will use the most updated rules, FAQ and errata.

You will need to bring your models, dice and tokens. If you need anything let us know. Some can be purchased at the shop or borrowed. Speak to Parker or Kenny if you'd like to purchase anything.

Prize support: Acrylic tokens! Hopefully some Megan paintings! Foil cards, store credit and a prize for the Jabba Dice Game! Store credit will be based on attendance.

Entry fee: \$15 for non-members. \$5 rebate for members.

All event admin, list submission, pairings and result entries will be done via Longshanks. You will need to register an account on Longshanks prior to the event if you do not already have one. Register for the event and upload your list with the SPT code from the PointBreak app. Use the link here: <https://www.longshanks.org/event/34497/>

Format

Premiere: This event will use the Alternate Swiss Rounds.

Each round will use a 120 minute round timer with Mission Critical starting at the 90 minute mark, announced by the TO. During Mission Critical, at the start of the End of Turn sequence, the Active player gains a Momentum token.

Anticipated schedule below. Obviously will be flexible pending when games begin/end:
