

Seb's Story Comms!

Help a young noice writer pay his rent and get yourself a nice story to share and read anywhere!

I am a novice writer willing to work with you to pretty bring any lil idea in your mind into a readable form! What you are paying for is a MINIMUM word count. Meaning you're setting an amount of words needing to be written thus the more pay the more longer the story can be.

I don't mind if you want me to write some porn either and I am open to most ideas!

I can't guarantee how soon I can finish a story but I will give you constant updates!

Things to note: Currently there is no planned refund policy as the money currently will be going towards paying rent so be careful before deciding to pay.

HOW TO CONTACT

Personally I prefer contact by discord. I might not respond immediately as I do have a job and what not.

DISCORD: SebaKnight1#7012

EMAIL: sebaknight1@live.com, Be sure to include Story Commission in the subject.

Prices!

Below is the price per set word count. Certain bonuses will be given depending on the amount given. Again, note you are paying for a MINIMUM word count. However THE MAXIMUM is at 100 words the minimum paid, and I will only succeed this limit during the final edits.

Every 10\$ = 1,500 words!

so 20 = 3,000

30= 4,500

and so forth.

If at least 50\$ is paid I will throw in an extra 500 to the word count!

If at least 100 is paid (wowie!) I will throw in an extra 1000 to the word count!

PAID EXTENSIONS CAN BE MADE after the initial final draft.

Extensions are priced 5 dollars per 500 words

IF PAID 1300, WHICH IS ENOUGH TO PAID OFF RENT, I WILL THROW IN AN EXTRA 5000 TO THE WORD COUNT AND PERSONALLY GET OUT OF MY WAY TO DRAW A TITLE IMAGE FOR THE STORY! I WILL ALSO LOOSEN MOST RESTRICTIONS JUST BECAUSE IF YOU'RE MAD ENOUGH TO PAY ME THAT MIGHT I'LL WRITE ALMOST WHATEVER YA WANT.

NOW PAY ATTENTION. THERE ARE THINGS I BE HAPPY TO WRITE AND SOME THINGS I WILL REFUSE TO WRITE! If your particular kink or interest is not listed feel free to ask first. If I say no then it's no.

WILL WRITE

Pornographic or Safe themes, extreme violence, hyper sizes, transformations, cum related

fetishes (excessive cum, cum inflations etc.), size difference, growth, and pretty much a lot of things. Just ask me first and you might be surprised what I will write.

MAYBE WRITE

Vore is a little difficult subject for me but not something I will not automatically oppose. Personally if it is vore for karmic retribution I will mind it less but voring innocent folk is a ouch to the heart. Just be mindful about it.

Will NOT write:

Scat, Watersports, or Vomit Fetish. Diapers. Castration. Promotion of a political party or ideal. Hate speech or pure blatant racism. Needless cruelty without justification. I will not write using real people as characters, only fictional characters allowed.
