

Learning, Teaching, Training Activity
Short-term joint staff training event „Creative Methods and Tools for
Bullying Prevention in Special Education“
Torino
15-17 November 2021

Project title: Creative Activities to Prevent Bullying on Special Needs Students

2020-1-RO01-KA227-SCH-095427

Erasmus+ project ``Creativity STOPS Bullying`` addresses a highly important and hot topic that affects the educational systems across Europe, offering improved knowledge, skills and practices for prevention and intervention in bullying situations on teenagers with and without hearing impairments. The training for teachers and educators in Creative Methods and Tools for Bullying Prevention in Special Education lasted for 3 days, 2 participants from each partner organization participated and it took place in Torino, Italy, from 15 to 17 of November, 2021. It was organized by ISTITUTO DEI SORDI DI TORINO.

The training introduced the participants the training materials created during the project and provide specific work methods and teaching techniques for the project target groups.
