- [SHAPE] If easier, no set shape is completely necessary, for example this

- [MISC] Happy for a simplistic look such as this, but keeping it within a shape.

Pretend that the logo is going on a shirt/kit, so ideally needs some type of border

- [NAME] Our name is iDentity (spelt exactly like that) and our abbreviation is iD
- [TEXT] Please can you have the full name iDentity somewhere on the logo, it can be like this

- [DETAILS] If you think it will look better, feel free to grab little details from other crests to add on, things like this

- [MISC] Whether we have the iD in the middle or a picture of something else like a lion, soccer ball, trophy etc, I will leave this up to you.
- [COLOUR] Our main kit colours and I guess logo colours will be Black and Blue, grey, light blue, dark blue, all completely fine.
- [SIZE] Ideally pretty large so that we can shrink it without losing quality.
- If you need any more details I will do everything I can do assist.

Thank you very kindly for anyone who ever considers helping us!
