

TheGoldenDino's TOS

Terms Of Service (TOS):

- **Please do NOT commission me if you cannot afford to do so.** You have power over your funds, do not attempt to hold me accountable for your choice to commission me.
- **DON'T USE MY ARTWORK FOR AI OR AI GENERATED IMAGES. It is THEFT and I do NOT tolerate my creations being stolen.** I do NOT agree nor endorse the "policies" of the blatant theft that AI conglomerates into false images.
- **DON'T USE MY ARTWORK FOR NFT's OF ANY KIND.** My work is mine and mine alone. DON'T attempt to resell, trade, redistribute or otherwise claim my artwork as your property.
- **I ONLY ALLOW THE USE OF MY ART AS STICKERS OR POSTERS IF I AM SELLING THEM.** Please respect my boundaries with this. If you wish to ask me the reason why, I will not answer. I will redirect you here to my TOS.
- **DON'T trace, copy, steal or otherwise claim my artwork as your own. Art theft is not a joke nor is it something I will ever tolerate. I will no longer agree to take commissions from you if you steal from me.**
- **I have the right to refuse a commission for any reason.** I do not owe you an explanation as to why.
- **I am in NO way required to provide reasoning or explanation to you why and or how my TOS works.** It is my TOS. Do not ask me to change something within my TOS.
- **Never ask me to conform my TOS to better suit you.** I draw what I am comfortable with!
