

GMS Study Club

Located in the LMC with the assistance of Mrs. Rumi Bhattacharya

Who should attend the study club?

- Students that need a quiet place to study and do homework after school
- Students who need to collaborate with other students or teachers
- Students that need assistance on their work from a staff member
- Students that need assistance with using technology

Student Expectations

- Students will be able to come and leave as necessary. However, when they leave, they must leave the school unless they go to another supervised area.
- Students will be expected to work quietly while in the Study Club.
- Computers will be used for school work only. All usage rules for the school day will be enforced.
- Cell phone use will be limited to arranging transportation or notifying parents of their plans.
- Students may also be permitted to listen to music with headphones, as long as it cannot be heard by others.
