

Event 67: Magic Cutie Team Pure Pures: The Movie

Area 1: Attack from the VR World!

Scene 1: The Splendor of Love and Courage!

Flonne: Ooh, this is exciting! Soon we'll be starting our greatest Magic Cutie show yet!

Flonne: It's the 4th anniversary of our squad, so that means this has to be a super-scale, extra-special edition event! The best ever!

Fallen Avatar Flonne: I understand that this is a special event, and yet still... I must ask, why did you bring me here? I know very little about magical girls, after all...

-Fallen Avatar Flonne: The Flonne from another dimension who once led the XENO Faction. After the armor that Zenon used to control her was shattered, she returned to her more kind-hearted personality. Currently, she has left the XENO Faction and works alongside Saint Etna.

Flonne: That's okay! You don't need to know a thing! 'Cause our show's gonna teach everybody the wonders of love and courage, all through the power of magical girls!

Fallen Avatar Flonne: The... wonders of love and courage...?

Flonne: That's right! We, the legendary Magic Cuties of the Netherworlds, are the very embodiment of love and courage!

Fallen Avatar Flonne: Is that so...? Well, I can't deny that the attendees all seem to be cheerful and lively.

Girl A: Ooh, I really hope I get to see Pure Sicily again this time! She's sooooo adorable, and her special moves are super cool!

Girl B: My fave's gotta be Love Oracle! You saw the special merch we get for attending, right? The Miracle Glow Wand I got even came in Love Oracle colors, kyaaa~!

Sicily XENO: This evil star has naturally chosen the dark colors of Pure Artina for herself...

Fufufu~! I'll cheer her on with a mighty, nefarious roar and add a dash of glorious chaos to this event!

Fallen Avatar Flonne: ...Hm? That's... Sicily XENO. Have you come to watch the show as well?

Sicily XENO: Ah, damn and blast it all! Fallen Avatar, my former lord, my foe of ages! What horror brings the likes of you into my peripheries?!

Sicily XENO: W-Wait, I certainly am not attending for such reasons! The dark star graces this event with her shadow merely as an aspect of her studies into magic! One such as I would never admire a magical girl-!!

Flonne: I've told you, there's nothing to be embarrassed about! Whether you're a young girl or an old man or anything between or beyond, so long as your heart is pure you should shout at the top of your lungs that you love Magic Cuties!

Sicily XENO: Hmph... Another Flonne, you're the Flonne of this realm, are you not? As the leader of the Magic Cuties, should you not be preparing onstage rather than mingling with the commoners that cry your name?

Flonne: He-hehehehe! 'Cause it's our anniversary celebration, we've got a spe~cial surprise! I, Pure Flonne, will spring out from the audience and surprise everybody!

Flonne: That's why I'm down here. Oh - don't go telling everybody that, okay? It's gotta stay a secret between us!

Sicily XENO: What?! S-Such a performance... it sounds really fun-!

Prinny Asagi: Sorry, but I'll be cutting that production short! No sequels, no reruns, zip, nada, nothing!

-Prinny Asagi: The former blank slate protagonist of the Dating Sim "Asagi Memorial", Asagi Yamada. She now sports a Prinny Costume to stand out. Because she's not a real Prinny, she always forgets to include "dood" in her lines, despite all of Valvatorez's attempts at re-education.

-Millennium Overlord Asagi: The Overlord who reigns over the Netherworld of the game world "Disgaea Wars (tentative)". Her overwhelming power strikes fear in the hearts of all who meet her.

Overlord Asagi: From hereafter and beyond, this show shall be under the mighty heel of Asagi, the Millennium Overlord!

Scene 2: Fear the Dark Power!

Flonne: Wait, huh? Asagis?! Asagis are just video game characters, right?! What are you doing in the real world?

Prinny Asagi: Ahahaha! With our new power, we've overcome the barrier between digital and physical! We're real now!

Overlord Asagi: And from now 'til the end of eternity, we shall conquer this flimsy reality! By force, we'll ensure its denizens make "Disgaea Wars (tentative name)" an unfathomably huge hit!

???: Hold it right there! Conquest is a terrible crime, and I'll never forgive you for that sorta misdeed!

Overlord Asagi: Hm? What lowly worm dares stand against me as I approach my victory?!

Love Oracle: Guarding the courageous hearts of all Magic Cuties! Love Oracle appears! With my light, I'll ward off the darkness of evil!

-Love Oracle: A self-proclaimed Magic Cutie supposedly born from a dandelion. Despite being born a boy, the true heart of a Magical Girl beats within. Being a boy or a girl has no bearing on enjoying this kind of hobby! Love Oracle is always giving 100% effort to the cause. The entire team of Magic Cuties accept Love Oracle as their most dedicated member!

Pure Artina: Managing the finances of all Magic Cuties! Pure Artina appears! I'm gonna be collecting e~very last penny you bad guys owe for your crimes ♥

-Pure Artina: Artina's Magic Cutie form. When she first attained this power, it was tainted by a negative force that preyed on her emotions, and she fought against the Pure Pures as "Dark Artina". But with some help from their Love Power, she was able to return to her senses. She's still a bit embarrassed wearing this costume despite joining the team.

Pure Sicily: And lastly, keeping the pure souls in check for all Magic Cuties! Pure Sicily appears! I'll give it my all to maintain the love and peace we cultivate in the Netherworlds!

-Pure Sicily: Sicily's form after becoming a Magic Cutie of Love and Justice. At first she protested the frilly costume, but she's long since come to enjoy it.

Girls A and B: Wow! So cool! Do your best, Magic Cuties! We believe in you!

Sicily XENO: ...D-Do your best! ...Hmph.

Overlord Asagi: Hmph. Typical of magical girls, irritatingly clever. Very well, allow me to strip away that annoying cheering first and foremost! Hyagh!

Pure Artina: What?! No! Little girl, watch out-!! Kyaaaaaaaaaaaaah-!!?!

Sicily XENO: Pure Artina?! What would possess a warrior of light and love to jump to the defense of this evil star...?!

Pure Artina: Hehe... As a Magic Cutie, it's natural for me to wanna protect the kids that support us...!

Overlord Asagi: Such sweet sentiments. Alas, I'll see them torn from you! Fall from grace into my waiting palm... Pure Artina, you are mine. Rebirth yourself into darkness!

Pure Artina: Ghh...! Aagh...?! Y-Yes... Millennium... Overlord...!

Love Oracle: A darkness that ensnares the heart?! Could that - could it be the "Dark Power" that feeds off of negativity and malice?!

Overlord Asagi: Oh my, how clever. In that case, are you familiar with this power as well? That which cancels out the Love Power that you magic cuties use as your source!

-

Love Oracle: Gah-! The Love Power within me's drying up-! What the heck?!

Pure Sicily: Love Oracle! Fight it, fight back!

Overlord Asagi: Fwahahaha! See your lovely form stained in despair dark as ink! Idiotic little girls, Magic Cuties stand no chance against my might!

Scene 3: Become a Magical Girl!

Overlord Asagi: With this, you pesky Magic Cuties are nearly finished. Now, the final step here is for me to have you! Fallen Avatar Flonne, former vessel of the greatest evil!

Fallen Avatar Flonne: ...Me? You're aiming at me...! Agh... Damn... you...!

-

Sicily XENO: Lady Flonne-! Aw, crap... sh-shit! Overlord Asagi, if you seek a challenge, then allow me to direct your attention this way-

Prinny Asagi: Ohhhh no you don't! Keep your flippers off of Overlord Asagi! You're gonna throw down with me, dood! Oh, and my "backup..." These cute widdle magical girl fans!

Girls A and B: Dark... Po...wer...

Pure Sicily: Whoa, hey! You can't involve them, they're innocent children! Resorting to manipulating them is unforgivable!

Prinny Asagi: Small sardines, Magic Shrimpy! We've gotta do everything we can to rule this world, and I'm not gonna let "morals" about "not harming kids" stop me!

Sicily XENO: Blast it all! Those girls are ensnared in evil. At this rate, there'll be no choice... I must once again raise my blades and-

Flonne: Please, hold on a sec! We can save those girls with Love Power! Our love is the key to saving everybody here!

Sicily XENO: Love?! Love is all you can speak of now?! Get serious, fool!

Flonne: But I am serious! Dark power may cancel out Love Power, but the inverse is true too! Our love can overcome the darkness we're facing!

Pure Sicily: And only magical girls like we Magic Cuties can harness Love Power... so you'll have to leave this to me and Flonne!

Pure Flonne: Here I come! Traaaansform! Pure Flonne on the scene!

Sicily XENO: Love Power, hm? Well... This most evil of dark stars lacks that entirely. Does that mean I truly can do nothing but watch things unfold...?

???: That's not true! ☆

Sicily XENO: Aah! Who - who are you, foul cretin! How dare you sneak up on me?!

???: Doesn't matter who I am~☆ You want that power, don'tcha? Then make a contract with me and become a magical girl ☆

Sicily XENO: M-Me? You jest! This dark star cannot become a Magic Cutie! The shadow I cast is far too dark and bleak for that life!

???: Sure ya can! ☆ Nobody's more talented, more well-suited, more perfect! You're the savior who'll rescue us all from this crisis ☆ So whadda you say?

Sicily XENO: ...Tch! It can't be helped. If you're going to beg and plead, then this grand evil star deigns to lend you her power!

???: Perfect, perfect! I've been waiting to hear that! ☆ Now, here! With this soul gem, leeeeet's transform! ☆

-

Pure Sicily XENO: Let's begin! An azure teardrop, glimmering with a refracted gleam as it falls beneath the moonlight! Pure Sicily XENO appears! Please, don't hold your applause!

-Pure Sicily XENO: A new warrior who suddenly joined the battle on the side of the Magic Cutie Team, the Pure Pures. For some reason, she's all decked out in blue. It's worth noting that she was able to spout her catchphrases so confidently on her first appearance because she's been daydreaming about this kind of scenario most nights just before going to bed.

Pure Flonne: So cool! Where'd she come up with that? Maybe it's original?!

Pure Sicily XENO: Hey! Don't blurt such things like that out! It's certainly not as though I've been writing secret diaries about such a transformation for hundreds of years or anything! Not at all!

Pure Sicily XENO: Come now, we must make haste! The matter at hand demands it! Let's blast this rogue Prinny Asagi back to Hades and give chase to that heinous Millennium Overlord!

Scene 4: Lacking Love Power

Prinny Asagi: Ggh! You're pretty good, kid... hmph! Guess this is where I leave it for today!

Pure Flonne: Phew, we somehow beat Prinny Asagi... Is everybody okay? Did we get everyone back?

Pure Sicily XENO: Most guests were purified of the Dark, but Pure Artina and Lady - ahem. Fallen Avatar Flonne were stolen away...

Pure Sicily: Ugh, oh no... we're Magic Cuties, but we couldn't even keep our friends safe-!

Love Oracle: Hey now, there's no time to be depressed, Pure Sicily!

-Casual Love Oracle: Love Oracle's everyday clothes, it is a mix of simple yet elegant fashion - the ultimate casualwear for any occasion that took 1 million prototypes to perfect. It gives a similar feel as a Magic Cutie costume, in keeping with Love Oracle's personal tastes.

Pure Sicily: Love Oracle...! Your Love Power got taken, but you're okay!

Love Oracle: Mm... I can't transform right now 'cause I lost my power.

Love Oracle: But at heart, I'm still a Magic Cutie! ...I think. Pure Sicily, what should a real magical girl do at a moment like this? What's the most important Magic Cutie lesson?

Pure Sicily: ...Aha! Magic Cutie Lesson Number One: Never abandon those in need!

Love Oracle: Exactly: If someone needs help, then a Magic Cutie has to be the one who helps them no matter the cost! So c'mon, let's go help!

Pure Sicily XENO: Love Oracle is correct. We must return what was stolen, and rescue what was kidnapped!

Pure Flonne: Yeah! If we work together, then we can overcome any enemy, no matter how strong!

Pure Sicily: R-Right, got it! I know we can help Fallen Avatar Flonne and Pure Artina! ...Maybe...!

Love Oracle: My time to shine! While we were fighting, I planted a super-secret tracking device on Prinny Asagi!

Love Oracle: I call it: The Cutie Chaser! It's a homemade device that lets you track your enemy to the ends of the Netherworlds!

Pure Sicily XENO: ...Magical girl accessories are meant to be far cuter than that. What happened to makeup compacts, necklaces, and the like?

Pure Flonne: No, no! These days, it's "anything goes"! Edginess and nerdiness can be cute too! So, if you're all chasing down Prinny Asagi... then I'll use my Flonne-y Clairvoyance to track down Overlord Asagi!

Pure Sicily: Pure Flonne's clairvoyance is amazing! She's super-duper good at it. Okie-dokie then, we'll split up into two groups! But... Flonne, you won't do anything reckless on your own, right?

Pure Flonne: No need to worry, Pure Sicily! I'm the lead Magic Cutie, after all! No matter what, I won't lose!

Area 2: Narrative Switch!

Scene 1: Cool & Cute!

Love Oracle: The Cutie Chaser is reacting a lot! That must mean Prinny Asagi is around here somewhere...

Pure Sicily XENO: Not a single demon walks these barren lands, fool! That sensor of yours must be on the fritz...

Girl A: Dark... Dark Power...!

Pure Sicily: Hey! Other Me, watch out! There's somebody dangerous right-!

-

Asagiri Asagi: ...No worries, it's just a tranquilizer bullet. Sheesh, this real world place is way more dangerous than I thought it'd be.

-Asagiri Asagi: A male Asagi who serves as the lead character of Creator Asagi's Character Action Game, "ASG". His specialty is mowing down enemies with the most unnecessarily stylish moves possible. However, all that over-the-top show-boating takes its toll on the neck and back. In fact, it seems like he has to do a lot of intense warm-up exercises before every battle.

Asagiri Asagi: Hey, kid. Are you hurt?

Pure Sicily XENO: ...?! Er, y-yes! I mean no! This star stands with unharmed elegance as always. ...I suppose your assistance was helpful.

Asagi Koigiri: An unexpected encounter! A young maiden is saved by a handsome man that protects her chivalrously! This must be it... it foreshadows her first love's blossoming!

-Asagi Koigiri: The most popular heroine of Creator Asagi's Dating Sim "Asagi Memorial". She's a close friend of Asagi Yamada, the girl who now goes by "Prinny Asagi". She's pretty sensitive about being called a heroine whose only important feature is her glasses, so it's best not to bring it up!

Pure Sicily: Miss Koigiri! And Mr. Asagiri, too! You two made it out of your games as well?!

Asagi Koigiri: Yes... We were suddenly plucked out of our game worlds and plopped into this "real" one out of nowhere.

Asagiri Asagi: It was probably the creator screwing around, she must've changed something...

Hm? Hey, kid, your face is beet red. You doing okay there?

Pure Sicily XENO: H-Hmph! I-I-I am perfectly fine, thank you!

Love Oracle: Huh? ...Pure Sicily XENO, you've not seriously gone and fallen for Mr. Asagiri, have you? From where I'm stood, you're looking like a real smitten kitten.

Pure Sicily XENO: Then adjust your perspective! This evil star would never harbor feelings for a dark, mysterious, handsome older man! No no, what my heart burns with is... uh, respect!

Pure Sicily: Wait, you respect him? But you just met him! How come?

Pure Sicily XENO: The dark star stood before you happens to have played the game Sir Asagiri originates from for over a million hours! For such a lengthy time, I have admired his... gorgeously stylish movement...!

Asagi Koigiri: So what you're saying is that you're a big fan of Asagiri... huh. Good for you, Asagiri.

Asagiri Asagi: Tch... I'm not stylish to get fans, it's just a way of life. I don't care if people like me or not. More importantly - you guys, you're chasing down Prinny Asagi too, aren'tcha?

Love Oracle: We are. Overlord Asagi snatched up some of our friends, and Prinny Asagi's her accomplice! So that's why we're chasing her down. We need to find out what she knows so we can save them.

Asagi Koigiri: We're in a similar situation. Oh... Miss Yamada... er - I mean Prinny Asagi. She and Overlord Asagi want to put a stop to our efforts.

Asagi Koigiri: Ah! That's it! Please, um - if you don't mind, c-could you maybe work with us--

????: Sorry-not-sorry to interrupt, but looky here, it's time for the preview "On the next episode...!"

Scene 2: A Sudden Narrative Switch!

-

Etna: Hi, everybody, I'm Etna! I'm a 1st-grader at Netherworld Elementary School!

-Magical Beauty Etna: A young Magical Girl Etna who claims to be a first grader at Netherworld Elementary. While she may have been reverted to her childhood in both body and mind, her fighting power and selfish attitude are just as strong as ever. Her favorite things are Sweets and Servants.

Pure Sicily: Huh?! Miss Etna's a 1st-grader?! How could that happen, she's meant to be bigger than me, not smaller!

Etna: Um, my dream is to become a witch, so I can get a cute boyfriend~♪ Or well, I guess we're calling them magical girls nowadays! But if you stand in my way, I'll kill ya! Nothing stops me from being giga-tera-happy!

Pure Sicily XENO: Even as a magical girl, every word her vile tongue utters drips with the venom of the most heinous villains!

Etna: Lovely! Sexy! Noooo touching! Boys of the world, c'mon! Be my loyal servants! ♥

Asagi Koigiri: I-I really don't like this... she's making me uncomfortable. No child should be speaking those kinds of words...! Does she even understand what they mean...?

Etna: Next on "Evolutionary Magical Girl Etna" - Episode 6! Lock in! "Seize the Heroine's Throne!"

Etna: Get ready to be spellbound! ♥

Asagiri Asagi: ...Aren't you embarrassed to say something like that?

Etna: Not at all.

Pure Sicily: I think I'm more embarrassed than her... but I'm embarrassed FOR her. Etna... what happened to you this time?

Etna: Huh? Who the heck are you? You've been so super-duper noisy all through my cool intro. And could ya maybe be less familiar with me? You're a stranger!

Pure Sicily: What - what? Etna, don't you recognise me? I'm Sicily! We live together... I even give you my dessert sometimes...

Etna: Si-Suh-Lee? I don't know anybody with a weird name like that. But you're making that mopey face, it's way too serious and boring! You're just another boring grownup.

Pure Sicily XENO: You claim unfamiliarity? How odd... you, you - strange... Etna-esque child, just what are you saying?

Asagiri Asagi: Etna's always been kind of a weirdo, but this? This is way too much. She's such a pipsqueak now, it's not even funny.

Asagiri Asagi: Hey. Li'l Etna. Just what's happening to you?

Etna: Buh... Boring! This is so boring, you're all booooooring! B-O-R-I... uh... boring! Let's do something else now... Liiiiiiike this!

Scene 3: A Second Narrative Switch!

Etna: "On the next episode...!"

-

Pure Sicily: It's all starting again?! What did she mean-

Asagiri Asagi: Me? Hmph. I'm Asagiri Asagi. I'm just your average delinquent teacher. I work at Asagigaoka Junior High.

Pure Sicily XENO: Sir Asagiri?! What are you doing? Why are you joining in on this facade?!

Asagi Koigiri: Oh, my new teacher-? And your name is also Asagi, huh? What a c-coincidence...

Love Oracle: No way, whatever's happening even caught Koigiri! What's going on here?!

Asagiri Asagi: Oh... your face... you look just like an old friend of mine. We'd vowed to marry as adults, but she died in an unfortunate accident...

Etna: Student and teacher have a fateful encounter! He knows her face, and she feels she knows his heart! It's a fated attraction! However, there's a biiiiiig problem here! Their love's a no-go for a buncha reasons!

???: The two of you, you're blood siblings. Both of you were born... to me!

Pure Sicily XENO: Catsaber?! Impudent wretch, were you watching us this whole time?! Where were you?!

Asagi Koigiri: For our love to flourish... for the two of us to unite...!

Asagiri Asagi: ...I guess the only option is to take over the world. If we change the rules of moral decency, then neither age nor blood can keep us apart!

Love Oracle: Ew, isn't that way too much of a leap?!

Etna: And so, the two Asagi declare war upon the whooooooole wide world! The battle to keep love alive has begun!

Etna: Next time! On Weirdo Martial Arts-

Pure Sicily: Tiiiiime's up!

Etna: What? That's no fair! A gory, screwed-up romance story was just gonna start!

Pure Sicily: I don't wanna hear about a story like that, it sounds so gross and yucky!

Pure Sicily: ...What's with these previews, anyway? Suddenly everybody's playing along to whatever Etna talks about, it's like you turned their brains to Prinnies!

Etna: Hehehe, it's so cool! Right? Right? I think up a thingy, and when I say the thingy, everybody loves it and starts acting like it's real~♪

Asagiri Asagi: ...Eugh. That was gross on all fronts. I can't stand being pushed around and getting puppeteered by some dumb kid. Hey, Etna! 'Til this ends, we're gonna have to take you into custody!

Etna: Huh?! Aaaaah-! It's a creepy creep! Someone call the cops, he's gonna get meeeeeee!!

Scene 4: Negotiation Technique: Sweets!

Asagiri Asagi: Hah... sheesh... how the hell is something so puny that strong? Even as a tiny kid, her strength's on par with the toughest of demons...

Etna: Boooo! You're all weak and dumb and lame! Time to start the next one! Next episode, who should it be, hm~

Asagi Koigiri: Argh, what can I do...?! If I don't think of something, the next preview's going to start, and we'll end up doing something weird all over again...!

Pure Sicily XENO: If we can silence that brat before her next preview begins, then we'll at least have a chance to overcome her...

Pure Sicily: Silence her... like cover her mouth up, or - oh! I know! Hey, Miss Etna! I've got donuts here, but I can't eat them all! Do you want some?

Etna: Huh? Donuts? You should've said that sooner, gimme, gimme!

Pure Sicily: In exchange for a donut, would you mind telling me your story? I mean, how'd you end up so little?

Etna: (Munchmunch)... Iunno. I just woke up like this, I don't remember anything else.

Pure Sicily XENO: Can you tell us of that "preview" power of yours? It's a strange power for you to possess.

Etna: It's neat, right? A whole lotta fun! I dunno what it's called... but it seems like an extra-special super-forbidden power that only I get! It's great!

Love Oracle: Super... forbidden... could this be the "Narrative Switch?"

Pure Sicily XENO: Hm? You're familiar with this magic, Love Oracle?

Love Oracle: I am! If I remember right, it's a special kinda spell that rewrites the world around what the afflicted says, based on them beginning with the special phrase "A new episode begins!" and then telling their story.

Asagi Koigiri: What she's been saying is quite similar, isn't it... a-and that must be why Asagiri and I were swept up in her nonsensical "romance" story. What a terrifying power...!

Asagiri Asagi: Wait, that might mean- Hey! Etna. We Asagi are from the digital world of games, did we get dragged into the real world because of your new power?

Etna: Don't get all accuse-y with me, you weirdo! You're asking me that even though you know I don't remember! It's a good thing you're pretty, 'cause you're dumb as rocks. This whole thing's pissing me off!

Pure Sicily: Hey, hey! Let's keep calm, everyone. First off, we need to work out why Etna can't remember anything. Memory loss could be our first big clue!

Love Oracle: It may just be the backlash from invoking forbidden magics. With regular magic, it'd be impossible to make game characters real even if we used up all of our mana. Soooo it's probably Etna's fault these guys're here.

Pure Sicily XENO: Glinting in the dark, the evil star offers her solemn agreement. And so to solve it, I propose we work out how to return Etna to her true self and cancel out her spell. Love Oracle, is there a trick to such a thing?

Love Oracle: Love Power should be able to handle it! If we get Pure Artina and Pure Flonne back here, we can pour all of our love into it together!

Area 3: Thoughts of the Darkness-Drenched Maiden

Scene 1: Dark Worries

Etna: Ugh... I'm tiiiired! This is too much walking! Haven't you found that Prinny lady yet?

Love Oracle: It's odd, but we're getting a reaction.the Cutie Chaser's found something nearby...

Prinny Asagi: It sure took you a while to catch me, Magic Cuties! And it's your loss! You've been lured far, far away from the action!

Pure Artina: We're invincible so long as the Dark Power is within us. For the sake of Overlord Asagi, please die! Okay?

Pure Sicily: No... Pure Artina! Please, don't let the Dark Power win! You have to wake up!

Pure Artina: Don't be stupid, my eyes are already wide open. And you know what I see? Nothing except things stoking the hatred in my heart and fueling the Dark Power inside! This is how I truly feel!

Pure Sicily XENO: "The hatred in your heart...?!" What madness, what folly do you speak, Pure Artina?!

Pure Artina: You couldn't tell? I've been holding it in for so long. Even as my role changed, and you all chose to call me Pure Artina and act as though I'm one of you...

Pure Artina: This stupid game still labels me as Dark Artina! This unit will always be known as that!

Asagiri Koigiri: W-What?! You - um, you know we're meant to be treating this as the real world, right? Please, um. Don't get too meta about this-!

Pure Artina: Meta-schmeta! Are you listening to me! Thanks to this stupid, stupid, stupid label, I'm doomed to end up cursed and blackened forever! This is way too much! I didn't sign up for this, and I don't even make overtime on it!

Pure Artina: None of you get it! So I'm gonna make you get it! C'mon, girls, come wallow in the dark and suffer along with "Pure" Artina, we'll have a grand old time!

Asagiri Asagi: ...I have my sympathies here, but this is too much. It's totally unstylish to involve everyone in your personal problems like this. Sorry, ma'am, but I'm gonna put an end to this before you hurt these poor kids.

Pure Sicily: Wait, Mr. Asagiri! Only the Love Power of a Magic Cutie can purify hatred like this! We Pure Pures can handle it!

Pure Sicily XENO: This dark star, raised in void, molded in darkness's icy grip, shall join forces with her softer self and purify the hatred ensnaring Pure Artina! Sir Asagiri, your duty lies in facing your Prinny-esque doppelganger!

Asagiri Asagi: ...Right. You got it. If you spend too long screwing around, though, don't get pouty when my hot moves steal all the focus in the highlights.

Pure Sicily XENO: Sir Asagiri...! He moves with such style, such grace...! His movements are art, even as he stands before the abyss! O-Okay, then this evil star must do her best to compare!

Pure Sicily: Hey, earth to other-me! C'mon, don't go all crazy and rush in without a second thought! We have to try and talk her down first!

Pure Sicily XENO: Huh?! Are you a fool, my pure, naive self? Our magical might is the key to overcoming this miscreant's wrath! We'll blast her back to her senses!

Pure Sicily: Are you kidding me?! The opponent is Pure Artina! I can't attack her with everything I've got! She's my friend!

Pure Artina: To argue in front of me like this is just a flagrant display of disrespect. It's like you don't think I'm strong enough to beat you into submission! And that is a HUGE mistake!! Hah!

Both Sicilys: Kyaaaah-!!!

Scene 2: Quadruple-Asagi Rumble!

Asagiri Asagi: ...You might as well call it quits, Prinny Asagi. You could become your strongest self with that Dark Power, and it still wouldn't compare to me.

Prinny Asagi: Grr... I can't win against you in a one-on-one...! It's no fair that you're so damn strong, Asagiri, someone oughta take you down a peg or two!

Asagiri Asagi: I'm the pure essence of stylish battle, and you're from a VN. A one-on-one is the ultimate fair fight, but there's just... nothing you can do. I even struggle to call this fair. Heh.

Prinny Asagi: That's true... I'm not built for this... but luckily it's not just me, doofus! C'mon out, Fighting Game Asagi! Kick this guy's sorry butt for me!

Fighter Asagi: Super Space Shoryuken!!

Asagiri Asagi: Gah-!! You son of a... you seriously backstabbed me?! ...So uncool...

Fighter Asagi: You let your guard down right as victory was in your grasp, Asagiri. Prinny Asagi isn't the only one with Dark Power - I've been awakened now, via the ultimate power up!

-Fighting Game Asagi: The main character of the Fighting Game, "Asagi Fighters". Under the influence of the Dark Power, she can unleash her forbidden secret techniques designed to kill, such as the murderous "Super Space Shoryuken".

Asagi Koigiri: Fighting Game Asagi...! N-No, even you were swallowed up by the Dark Power?! How could this happen...!

Asagiri Asagi: Koigiri... You gotta run, kid, far as you can...! These... these ladies, they're gonna...

Asagi Koigiri: Mr. Asagiri, that's crazy talk! I can't...! I can't leave you behind, I can't do it...!

Etna: "So it looks like there's no choice... TRAAAAANSFORM!" Koigiri called out suddenly, without even knowing why! In her scaredy-ness, she'd awoken to Love Power in her heart! Wow!

Asagi Koigiri: Transform-?! What are you - that makes no sense, Miss Etna! I can't become a magical girl, I don't have any Love Power!!

Etna: ...Hmph. You're making me real mad, Koigiri. If you don't have that power, then turn into a Magic Cutie and get it! It makes sense, right~♪ "And now for our Next Episode!"

Asagi Koigiri: Huh? Not again...! My body's acting all on its own-!!

-

Magical☆Asagi: Asagiiiiii.... Metamorphosis! The heroine of ultimate justice, it's Magical☆Asagi! Bad guys, get ready to feel the burn of a pure girl's Love Power!

-Magical☆Asagi: Asagi Koigiri transformed into a Magic Cutie due to Etna's fanciful reality-warping powers. She's not used to wearing this bold of an outfit and struggles with 1 million percent embarrassment while transformed. But she's determined to do her best to see the fight to the end.

Magical☆Asagi: Kyaah-!! What's with this costume?! A-And those lines sound like they came right from some cheesy anime!

Etna: What? What's wrong? I did whatcha wanted. You're a magical girl now, ta-da! You can save everybody like this!

Magical☆Asagi: B-But my clothes...! I really liked my clothes! This costume's like a kid designed it! Couldn't you just have given me the Love Power...?!

Etna: Noooooooope. That'd be suuuuper-duper boring~♪ You got the Love Power, and a really cool frilly costume! So go on, give it all you got!

Magical☆Asagi: U-Um... Alright! I understand... This is for everyone's sakes!

Magical☆Asagi: Magic Cutie Magical☆Asagi is on the scene! I'll do my best!

Scene 3: The Two of Us are Pure Pures!

Pure Sicily XENO: Hah... c'mon... o brightly glinting star of this dimension, stop trying to hold me back! Release the leg of the dark star stood before you this instant!

Pure Sicily: You're the one who's gotta stop, other-me! You can't attack any of the other Pure Pures! I can't let you!

Pure Sicily XENO: ...Pure Artina was certainly a fine Magic Cutie. Bold and mature and oh-so graceful. But now, she's an enemy. Dark Power enchants her heart. For her own sake, I shall have no mercy-

Pure Artina: Hmhm~ That's right, little kitty. Have no mercy, and soon you'll be dancing to the same dark beats as me! Fall into the waiting clutches of the Dark Power!

Love Oracle: This is bad...! If she hits you two with any more of that Dark Power, then your transformations-!!

Both Sicilys: Waugh!!

Sicily: Ugh... owie... oh no! Our powers... our Cutie transformations ended! Other-me, are you okay?!

Sicily XENO: Tch... I cannot claim to be at my best... This dark-as-night star has had her transformation stolen away too. ...It's all your fault! You stopped me from re-purifying the foe!

Sicily: But Pure Artina's my friend! She's like a big sister to me, at least when my big brother isn't being my big sister! B-Besides! Taking her down by force is a last resort, we could've tried talking to her...!

Love Oracle: Both of you, chill! If your hearts are so divided like this, we won't be able to do a thing to save Pure Artina!

Love Oracle: Pure Sicily, you got so involved in your own plan you ended up as a self-righteous pain and wouldn't even hear her out. You have to trust your other self more.

Love Oracle: Pure Sicily XENO, you on the other hand should be more honest. Why would you attack someone you admire with all your might?

Sicily XENO: ...This dark star admires the shimmering hope and cool, mature vibes of Pure Artina. And she knows that Pure Artina is not so weak as to fall to the dark star's all-out attacks.

Sicily XENO: If both my other self and I are Magic Cuties for real, we should trust in Pure Artina and fight with all we've got to save her, shouldn't we? Is that not the apex of friendship?

Sicily: ...Other me, I... I don't know what I was thinking, I couldn't see your true heart... I'm so sorry, I completely misunderstood you!

Sicily XENO: No... Your lack of interest in my words came from your love for Pure Artina, did it not? This evil star grew hot-headed and foolish, and made the situation worse...

Love Oracle: Both of you have the core love needed for the job, you're perfect Magic Cuties! ...But both of you just being Pure Sicily is confusing. The 'other-me' 'bright star' stuff is hard to keep track of.

Love Oracle: Ooh, I know! How about we go with Pure Sicily Pink and Pure Sicily Blue! Isn't that cute?

Sicily: Other m- I mean. Pure Sicily Blue! You're a tough girl, that's for sure, but you're kind at heart. That much came through to me today.

Sicily XENO: You... your resolve's strength was felt even by this dark star, who was shaken to her core. We can save Pure Artina together... I know it, Pure Sicily Pink!

Both Sicilys: Let's go! We two girls from different dimensions-! Let's go! These fine stars of light and shadow-!

-

Both Sicilys: The two of us are Pure Pures!

Scene 4: Purification, And...?

Pure Artina: -Gah! This stupid power... this is the Love Power of two magical girls that understand each other perfectly...! Damn it!

Love Oracle: Go, go, girls! Save the day! Use your combo power!

Pure Sicily: Let's go! Angel Pink!

Pure Sicily XENO: Hmph! Devil Blue!

Both Sicilys: Pure Pure combo technique! Essence of Heaven and Hell!

Pure Artina: --Moneeeeeeeeeey!!

Pure Sicily: Whew... that was tough...! B-But I think we might've done it... Pure Artina? Are you alright? We didn't hurt you, did we?

Pure Artina: ...Y-Yeah, I'm fine. Thanks, girls. All that darkness inside of me's gone and dissipated, kinda like storm clouds on a sunny day.

Pure Sicily XENO: It's certainly reassuring to hear that, it took a lot of effort to save you. But what has become of Sir Asagiri...?

Magical☆Asagi: No need to worry! I cleansed that problem lickity-split! Hehe.

Love Oracle: Whoa- That costume's sooo cute! Miss Koigiri, are you a new Magic Cutie come to join us?!

Magical☆Asagi: Ehehe... Etna used her new power to transform me. It's kind of embarrassing, but I can help out like this!

Etna: Again, it was just 'cause I felt like it! I was in a giving mood!

Magical☆Asagi: N-No, it was more than just a whim, wasn't it?! ...But anyway. Miss Yamada, er, Miss Prinny and the others have been purified! They're sleeping off the Dark Power now.

Pure Sicily: Great! What happened to Mr. Asagiri, though?

Magical☆Asagi: Mr. Asagiri's taking a break, too. He put up a great fight, but Fighting Game Asagi really did a number on him... that was a tough battle.

Pure Sicily XENO: Even Fighting Game Asagi, with her noble, battle-crazed soul, fell to the Dark Power's allure... it certainly sounds tough.

Pure Sicily: We took some hits... but now with Pure Artina back on our side, there's four Magic Cuties here and ready to act! I wonder if we can help get Etna back to normal now?

Love Oracle: Yeah! If there's four of you, then even if I can't help out right now, you should be bursting with Love Power! So-

Fallen Vessel Flonne: That won't happen.

Area 4: The Fallen Girl's Wish

Scene 1: No Joke? Another Narrative Switch!

Fallen Vessel Flonne: It won't happen... my dear magical girls.

Pure Sicily: Oh! You're Miss Flonne from the other dimension! I hope you're okay!

Love Oracle: Wait a sec, Pure Sicily Pink... the atmosphere totally just changed. It's gone really ominous all of a sudden...

Pure Sicily XENO: Hold, all of you! Be on your guard! This Lady Flonne, she's once again been swallowed up by the armor of Overlord Zenon... most certainly, this is the Fallen Vessel stood before us!

Pure Artina: You mean she was manipulated, same as me? We can cleanse her quick and bring her back to normal, it'll be no problem!

Fallen Vessel Flonne: No, foolish angel. I stand with Overlord Asagi of my own free will.

Fallen Vessel Flonne: The Millennium Overlord and I have one goal alone in mind. And... it's one that involves you, young Etna.

Etna: Whaaaaat? Whadda you want from me? Weirdo.

Fallen Vessel Flonne: Your ability to affect the world, this power of the "Narrative Switch" that you alone possess, is something we need quite urgently. Come now, child, and join us-

Etna: That sounds kinda stupid and boring. How about we talk about something more fun instead! C'mon, let's go with another "On the Next Episode"

-

Fallen Vessel Flonne: So many magical girls have been running around today, and it is, quite frankly, too many. So I'm going to ask you all to kill one another.

Magical☆Asagi: What?! Another of these things, a-and this time you want us to kill each other?!

Etna: A battle royale sounds so fun! Super-duper bloody, super-duper gross, it'll be great! So let's talk about that!

Fallen Vessel Flonne: Only one rule stands. It shall continue 'til only one magical girl remains. If you don't fight, you won't survive. Simple, yes?

Etna: "Oh no, Miss Fallen Vessel, I can't do it! To take the lives of other magical girls is an unforgivable sin...!"

Etna: "Die! Blam blam blam!"

Pure Sicily XENO: Whoa watch it-! Why so intent on killing? We won't seriously have to kill one another like this, will we-?!

Love Oracle: Etna's gotten obsessed with this tale from Fallen Vessel Flonne, so it's most likely going to happen.

Pure Sicily: Oh man, that's really bad! All of her fictions have come true in some way or another so far!

Pure Artina: Even in a playful story plotted out by a little girl, someone may really lose their life...

Magical☆Asagi: It would be okay if it came at the end of a dark romance route, but I don't want to die over this silly story! We've got to stop Miss Etna!

Scene 2: A Greater Power

Pure Artina: Miss Etna! You can't switch the narrative to something so disturbing, you have to cancel it right now!

Etna: Ehhhh. I dunno, it seems like something I could come up with a really cool plot twist for, you know? So...

Pure Sicily XENO: If things get any more chaotic, then it will lead to an unbearably grim scenario! You've forced my hand here, I'll have to--

Magical☆Asagi: H-Huh...? If you try to stand against Etna, your body locks up and you're stuck in place?!

Fallen Vessel Flonne: Hmhm... The previews for the "Magical Girl Battle Royale" have begun rolling already. This is inevitable now - you can't resist the tale.

Fallen Vessel Flonne: Now, let's get on with things... the lot of you, come on and kill one another.

Love Oracle: That Dark Power-! It's amazingly strong! But no, I'm certain that the Pure Sicily combo can beat it back, just like they did to the darkness engulfing Pure Artina...!

Pure Sicily: That's right! Alright, let's go~! Angel Pink!

Pure Sicily XENO: Hyah, Devil Blue!

Both Sicilys: Pure Pure combo technique! Essence of Heaven and Hell!

-

Fallen Vessel Flonne: ...This is all you magical girls can do? Pathetic. How foolish you look, trying to protect the world's peace with those kinds of ridiculous powers.

Pure Sicily: No way...! Our combo didn't work on her?! It didn't do anything-! You've gotta be kidding!

Pure Sicily XENO: If we fail the first time, we've no choice but to try and try again! Come, Pink! Let us try it once more!

Fallen Vessel Flonne: Try as many times as you like. It will be wasted effort in the end. Your Love Power can't purify my heart, none of it can pierce the veil of my Dark Power.

Fallen Vessel Flonne: ...Yes, to stop this, the only thing anyone could do would be meet it with an even greater counter-force.

Pure Sicily XENO: A counter-force...?

Scene 3: What the Fallen Girl Desires

Pure Sicily XENO: Answer me this at least, o blackened maiden fallen from heaven. Why are you so desperate to possess Etna's power?

Fallen Vessel Flonne: Simple. It is because we need it in order to bring peace to our world.

Pure Artina: Your world... the XENO world? You want peace over there?

Fallen Vessel Flonne: The XENO dimension, our world, is a realm of terrible, powerful demons who never cease their fighting. Even now, I'm sure someone is struggling to fight for their life.

Fallen Vessel Flonne: Even if I, she who led the XENO Organization, disappear, this truth won't change.

Fallen Vessel Flonne: The Millennium Overlord, the great Overlord Asagi, is the one that taught me we needed a more practical solution.

Fallen Vessel Flonne: A power that rewrites the script and shapes one's common sense into something unrecognizable... that would be the Narrative Switch, controlled now by Etna.

Pure Sicily: Oh! So you want Miss Etna to forcibly put a stop to all the pain and bloodshed using the Narrative Switch!

Fallen Vessel Flonne: Very good, Sicily. So long as such power exists, my wish can come true. We can establish a peaceful XENO dimension, where none ever have to be hurt...

Pure Sicily XENO: No! You speak nonsense, Lady Flonne! The world you aim for is not at all peaceful - it is a hoax, a falsehood borne of trickery and manipulation!

Fallen Vessel Flonne: So... what? Do you know of another way, then? A way to establish peace in our home world? A way to stop our denizens from being hurt?

Pure Sicily: ...A world where nobody ever gets hurt just isn't possible.

Pure Sicily: I think that the most peaceful world we can long for is one where, no matter how many times we fight and hurt each other, we can end it by saying sorry and making up.

Magical☆Asagi: Yes! It's similar in romcoms and dating sims. As two characters clash, they get to know one another, and in the end they've grown closer.

Pure Artina: In fact, by doing battle with you like this, we were able to hear your true feelings. See? It works!

Pure Sicily XENO: Listen to me, my Fallen Lady! Peace is something that comes from mutual conflict and mutual understanding!

Pure Sicily XENO: If your desire for peace is genuine and true, then take those deep feelings of yours and direct them toward us! We glimmering, shadowy, hopeful stars shan't fail you!

Fallen Vessel Flonne: ...Very well. If that's the case... then please withstand everything I've got, stand up to my full power and prove it to me...!

Fallen Vessel Flonne: Please - teach me to understand true peace! I beg you, Magic Cuties!

Scene 4: To Know Peace

Pure Sicily: Alright, everybody! Let's give it our all! Magic Cutie Ultra Pure-Pure combo technique!

Magic Cutie Trio: Now, our Love Power roars at full throttle! Yeah! Our Love Lower howls at full throttle! Aah! Our Love Power shrieks at full throttle!

Fallen Vessel Flonne: I cannot stand down... for the sake of the XENO dimension's peaceful future, I can't give in!

-

Love Oracle: All of those amazing powers colliding...! But who won-?!

Fallen Vessel Flonne: ...It seems that my Dark Power has been purified completely. I suppose this is my loss, then.

Pure Sicily XENO: Mm, but even so - your pure feelings toward our home came through clearly, to both light and dark star alike.

Pure Sicily: If you wanna mold the XENO world into something more peaceful, you know we'll happily help, right? Let's solve this together! You're not alone, Miss Flonne!

Fallen Avatar Flonne: ...Thank you, magical girls. You noble Magic Cuties. If we can confront one another and have it lead to understanding like this... then this... is peace, isn't it?

Pure Sicily XENO: My fallen lady-?!

Pure Artina: Seems like she's been totally cleared up of that nasty Dark Power. Total purification! Lady Fallen Flonne is back to normal! That's great.

Magical☆Asagi: So the purification's complete? Fantastic!

Etna: Nuh-uh, it's not fantastic! Not great! Not even good! You guys were meant to be having a whole Magical Girl Battle Royale, why the heck are you making up?! I didn't tell you to do that!!

Etna: If you're gonna do this, I'll have to think up something even more extreme to put you through! That'll teach you!

Love Oracle: Hey, I know what'll make this even more exciting, li'l Miss Etna! Lookie here! Zzap!

Etna: Quit it, that tickles--- zzzzaap-!!!

Pure Sicily: Love Oracle! What the heck did you do to Etna?!

Love Oracle: I used a Magical Stun Gun to knock her out cold~♪ I'm not bound by her Narrative Switch! I'm not a Magic Cutie right this second, after all~

Pure Sicily: ...Pff. Well, that's not really very Magic Cutie-ish, but it sure put a stop to the Narrative Switch! So long as Etna's okay, I think this is okay? I guess?

Pure Sicily XENO: Agreed. Direct action on Love Oracle's part, very effective. Now, all that we must do from here is use our Love Power to restore Etna to her usual self... but we may have just used up all of our Love Power.

Pure Sicily: Yeah, I feel totally drained... Ooh, I know! Let's go meet up with Pure Flonne! She might have some Love Power to spare!

Love Oracle: Roger that! Lemme just mess with the Cutie Chaser, tune it to Pure Flonne's love frequency, and... huh?

Love Oracle: Pure Flonne's Love Power... it's... it's gone-?

Area 5: Magical Girls

Scene 1: Flonne's Crisis!

Pure Sicily: What do you mean by that?! You're not really telling me that Pure Flonne's Love Power just went poof out of existence, right?!

Love Oracle: I don't wanna believe it... but there's no other way to say it. It's really gone...!

Pure Artina: So Pure Flonne's been defeated...! There's only one person in this story that could possibly overcome the sheer volume of her love!

Neo Overlord Asagi: My, my. Running late, aren't we, Magic Cuties?

-Neo Millennium Overlord Asagi: Infused with the ever-increasing strength granted from Etna's reality-warping powers and enhanced by stealing an enormous amount of Pure Flonne's Love Power, Overlord Asagi has attained a new level of Dark Power. Her might will only increase as she continues to abide by Etna's fanciful fiction of her being the Ruler of the entire World.

Pure Sicily XENO: The Millennium Overlord herself... however, it seems she's transformed quite a bit, she looks different...!

Heroine Asagi: Agh... this.. this is the Overlord's power up... gained from stealing poor Flonne's Love Power...!

-Heroine Asagi: The main protagonist of the game "Disgaea Wars (tentative)". She once fought ceaselessly against the reigning Overlord Asagi, but the two had come to an amicable agreement to keep the world safe. Now she finds herself up against the Overlord once again.

Magical☆Asagi: Heroine Asagi! You're not under the Dark Power's spell-! But those injuries look really nasty...!

Heroine Asagi: Worry about Flonne, not me. Just now she was trying to protect me, and the devastating consequence was her power being stolen...

Pure Sicily XENO: That would explain the vanishing of her love frequency, then. Is Pure Flonne safe? Alive?

Flonne: I-I'm fine! I dunno how, but I made it through all that! ...But now my power's all gone. Without my Love Power, I can't transform-!

Neo Overlord Asagi: Hmhmhm. Thanks to the Love Power you so kindly relinquished to me, my strength has grown a thousand-fold! Your purity nourishes my Dark Power, stupid little girls!

Neo Overlord Asagi: No longer do I need to rely on the Fallen Avatar, or even Etna! I'll rule the real world alone, brandishing this new power!

Love Oracle: Isn't that weird and kinda convoluted? If you can turn Love Power into a glorified Dark Power booster pack, then you should've attacked us all from the beginning!

Etna: Whoopsie~ That's on me! I wanted her to get stronger step by step, so I dictated that she'd only get stronger in little bursts!

Pure Sicily: Really?! Why would you make a Narrative Switch like that?! It makes no sense!

Etna: Huh? But it's so much more entertaining like th-

Neo Overlord Asagi: SILENCE! The reason matters not. No, all that is of concern to me now is defeating you foolish maidens once and for all!

Fallen Avatar Flonne: Such power... already she's comparable to Overlord Zenon. It would be impossible for me to win against a terror of this magnitude...!

Pure Sicily XENO: Cast aside your doubts! The power of the enemy doesn't matter at all, we Magic Cuties shall face them valiantly!

Pure Sicily: And in the end, love always wins! Now, Pure Pures, let's give this bully a beatdown!

-

Fallen Avatar Flonne: How... and why... why are you all so strong in the face of danger...?

Fallen Avatar Flonne: By myself, I would never have the courage to stand up to an opposing force like this...

Scene 2: Characteristics of a Magic Cutie

Neo Overlord Asagi: Resist all you want. It's futile. Insects such as you can't hope to land a single scratch upon me!

Pure Sicily XENO: Damn and blast it all! Our Love Power is too weak, we can't pierce her defenses like this!

Heroine Asagi: That Dark Power's way too strong, it must be nulling our Love Power the second they collide! If everyone can concentrate on a single weak point, then maybe...!

Love Oracle: In that case, I'll buy you time! Coordinate your assault while I keep her busy, okay? As for you, Overlord... Hyah! Have a taste of my Magical Stun Gun!

Neo Overlord Asagi: ...How annoying. If these girls are insects, then you are an empty shell. A shed skin. There's not a drop of Love Power in you. Begone.

Love Oracle: Uwaaaaaugh-!!

Fallen Avatar Flonne: Ah - Love Oracle-!!

Love Oracle: ...I can still fight! I'll buy you all time no matter what...!

Fallen Avatar Flonne: L-Love Oracle... you have no power, so why do you still fight? Aren't you scared?

Love Oracle: It doesn't matter if I have power or not! So long as there's love in my heart, I can still be... no, I am a magical girl! All of us are!

Love Oracle: Magic Cutie Lesson Number Five! "The greatest weapon of them all is the power of love!"

Love Oracle: Anybody can be a magical girl! All you have to do is have a desire to protect the ones you love!

Fallen Avatar Flonne: A desire to protect the ones you love... anybody can be one... could that even extend to a wretch like me?

Love Oracle: Of course it could!

Fallen Avatar Flonne: ...Thank you, Love Oracle. Thanks to you, I've made my choice.

Fallen Avatar Flonne: This world's Etna, please... I beseech thee. Grant me a favor. Could you organize a turn of events that could transform me into a magical girl?

Etna: Huh? You, for real? ...Well, I guess if you're bold enough to ask, it can't hurt! But y'know that whatever I do, it's not gonna match your gloomy demeanor, right~?

Fallen Avatar Flonne: I know. Even so, I want to protect everyone I love... there is love in my heart... and so I'm qualified to become a magical girl...!

Etna: Hm! Okie-dokie. Lemme think, I'll come up with a super-duper silly embarrassing origin story for ya!

Fallen Avatar Flonne: Please try not to be so vexing, child...

Scene 3: Another Narrative Switch!

Etna: "On the Next Episode...!"

-

Fallen Avatar Flonne: My name is Flonne, though I'm also known as the Fallen Avatar. I'm an ordinary girl... who just so happens to have once been the leader of an evil organization.

Neo Overlord Asagi: Hold on a moment! Will people really be satisfied with such a dull origin?!

Fallen Avatar Flonne: Just then, an adorable fairy appeared before me. Her face was the cutest I'd ever seen. She told me that now was the time, that I must become a magical girl!

Etna: I'm Etnan! A super-duper cutie-pie fairy! Hey hey, Missy Flonne, you're from the dimension opposite to my own! Come with me, make a contract, and become a magical girl, 'kay? Etnan~♥

Neo Overlord Asagi: And this impudent whelp in the role of a magical fairy?! What is the meaning of such a strange style of speech?!

Fallen Avatar Flonne: Leave it to me, Etnan... I'll be sure to protect those precious to me!

-

Pure Avatar Flonne: Key of pure love, with powers burning bright! Reveal the staff, and shine your light! Release!

-Pure Avatar Flonne: Fallen Avatar Flonne awakened to the power of a Magical Girl due to Etna's reality-warping Narrative Switch powers. The will to protect those important to her combined with an outpouring of Love Power transformed her into this mighty beacon of hope.

Etna: Next time on the final episode of Lovecaptor Flonne! It's Flonne's greatest victory, but at what cost?! Moving toward the future, it's the last love release!

Neo Overlord Asagi: Don't spout spoilers while giving a preview!

Pure Avatar Flonne: There's no need for you to be worrying about spoilers. After all, we both know how this will turn out. Hah! Magical☆Right Uppercut!

Neo Overlord Asagi: Tch... you're a mere magical girl, yet you fight with techniques akin to hand-to-hand combat... I can't help but speak like a losing villain here, what is the meaning of this?!

Pure Avatar Flonne: It's not over yet! Now, brace yourself for this -- My killer move! Passionate burning love! Take this! Love Finger!

Neo Overlord Asagi: Nooooooooooooo-!!

Magical☆Asagi: Whoa, incredible! She only just became a Magic Cutie, but even so, she's overwhelming Overlord Asagi-!!

Love Oracle: No, that's wrong. She's always had someone special she wants to protect. She's had the heart of a magical girl for a long, long time.

Neo Overlord Asagi: Gah-!! How could you put out Love Power in such quantities...! You're purifying my Dark Power...! No! Noooo-!!

Pure Sicily: Overlord Asagi's back to her normal self?! In that case, maybe we can hit her now!

Pure Sicily XENO: In that case, the time is now! Let us launch an all-out attack! Pure Avatar Flonne, can you follow my lead?

Pure Avatar Flonne: Of course, Pure Sicily Blue! I shared my heart with you all... I can fight as a member of the Magic Cuties!

Pure Avatar Flonne: Now, this is the final battle! Overlord Asagi, let's dance!

Scene 4: The End of Magic and Cyberspace

Pure Avatar Flonne: Now, give it your all! Magic Cuties of the Netherworlds and the XENO worlds! Time for a Pure Pure combo technique of love!

Magic Cuties: Deadly Ultra Pure-Pure! Magic Cutie Detonation!

Neo Overlord Asagi: No-!! My Dark Power... my villainy...! It's abandoning me...! Grrr, you'll pay for thiiiiis-!!

-

Heroine Asagi: Asagi! Overlord Asagi! Please, wake up!

Neo Overlord Asagi: Huh...? Asagi? Oh... oh, I see, I was...

Love Oracle: Because of Etna's Narrative Switch, you ended up stuck in the villain role.

Neo Overlord Asagi: I remember it all so clearly... badness me, I'm quite ashamed of myself. I'm sorry for causing so much trouble for you all.

Pure Avatar Flonne: Please don't worry. Magical girls are meant to help those that need it.

Etna: Wowie~ Looks like you already got the hang of being a Magic Cutie, huh~

Pure Artina: Hm? Miss Etna? Have you noticed things are back to normal all of a sudden?

Etna: Huh? Oh yeah, they are. I was enjoying watching you all strike your dumb little Cutie poses in your combo attack, and then blammo. Suddenly I'm my usual self again.

Love Oracle: Maybe it was because you were exposed to the secondhand Love Power radiation? If that's the case, then the rest of the Narrative Switches should go back to normal sometime soon.

Flonne: So that means... Koigiri and the other Asagis will have to go back to the game world soon. That's kinda sad, isn't it...? We barely even got to hang out!

Pure Sicily XENO: Tis a shame that this dark star shall soon return to her shadows, robbed of the pure light of Magic Cutie-ness... but how did Etna obtain the power to change things so drastically in the first place?

Etna: Oh, that. Creator Asagi asked me to do it. She was like 'I'll give you some of your favorite sweets, and in return, just tell me about some fun Next Episode Previews you've thought up.'

Magical☆Asagi: Eh? Creator Asagi...?! So, the real culprit behind this all was...

???: Aaaaaaand that's a wrap ☆ Thanks a lot, gamers, now I can take off this cramped little fursuit ☆

Pure Sicily XENO: You - you're the cat that granted this evil star her pure powers! What is the meaning of this?

Creator Asagi: Juuust a sec, I'll be back to normal shortly. But come on, dummy, it's me! ☆ It's ya girl Asagi, the hypercharged game dev ☆

Pure Sicily: Creator Asagi! But... why were you a cat?

Creator Asagi: Well~ I wanted to figure out how to go beyond VR and bring these guys to the real world for a spin. And like, I came up with the tootally fire idea of using taboo magic, y'know? ☆

Love Oracle: And that taboo was the Narrative Switch. So... you wanted to use Narrative Switch to breathe extra life into your OCs?

Creator Asagi: Ding ding ding, we got a winner~ ☆ By slipping Miss Etna one of my special energy drinks, it gave her the Narrative Switch to control as she liked, so it was all going good~

Creator Asagi: ...Til the side effects turned her into a little gremlin... toddler... thing. She lost all memory of being a teen, forgot what she promised me, and started making crap up. Went totally outta control.

Pure Sicily: Uh-huh, got it... so you got kitty-fied due to the Narrative Switch, then? Then, what caused this whole thing was-

Pure Sicily XENO: The fault falls entirely upon that dreadful caffeine-fueled brat of a gamer girl. You irritating peon, I'll see you sacrificed to the Black Ruin Star Technique!

Creator Asagi: What?! B-But, but I just wanted to play with all my Asagilings in the real world!

Koigiriiiiiiii help meeeeeeee!!

Magical☆Asagi: Unavoidable circumstances are one thing, but meddling with taboo magic for your own whims? That's a big no-no! Creator, prepare to be punished Magic Cutie style!

Magic Cuties: Deadly Ultra Pure-Pure! Magic Cutie Detonation!

Creator Asagi: N-No, wait! Wait! I'm your creator! Waaaaaah-!!
