

Minutes/Notes
MSAD 72 Board Sub-committee on Curriculum
Tuesday, May 7th, 2024
Superintendent's office

Meeting began at 10:05

Present: Jay Robinson, Danette Kerrigan, Matt Lokken, Merri Rajaniemi, Emily Kirkpatrick, Carolyn Lewey, Jane Williams, Mary Di Nucci, Eli Goodwin, Teresa Egan
Absent: Allison Leach

Middle School Health Curriculum Update

- Danette shared that they are exploring three different programs—it's still a work in progress. She will prepare an overview sheet.

SePup Science Curriculum Update

- Danette shared that this program will be in place for next year for 6-8th grade. Teacher training will be at Orono.

Language and Math (and maybe Computer Science) options for 8th Graders at the Academy

- The meeting was postponed due to the snowstorm, and nothing has been rescheduled yet.

Possible Instructional Coach Position Update

- Danette shared that an interventionist will be used instead. That person will also help support teachers with providing differentiation instead of doing pull outs.

K4ME Program Update

- All of our Kindergarten teachers are participating. This will be in place next year.

Social Studies Standards

- The State is still trying to revise them and will have another request for public comment. Link will be on the district website.

Math Curriculums

- Still a work in progress—3 different programs are being looked at; one will be recommended for board approval at the meeting in June.

Lake Region DO 8 Program

- Matt shared that they are looking into what opportunities can be offered at Molly Ockett since this program will not be offered next year. Nothing has been finalized as far as goals for next year.

Meeting ended at 10:45
