**CYSL Play-Off Late Player Check-in Procedure**

All players cleared to play in the game they are checking-in for will receive a stamp on their hand. Referees and Field Marshalls may ask players to show the stamp.

If a player is not present at the team check-in, the player's name and number will be noted at the tent. The player, accompanied by a parent or coach needs to check-in at the tent prior to proceeding to the pitch. If properly rostered and safe to play, the player's hand will be stamped and they may proceed to the game. Coaches are not allowed to use players that they know were not properly checked in.
