Hi [firstname],

What if you could offer every business the ultimate AI helpdesk...

without hiring a team, without tech headaches, and get paid for it every month?

That's exactly what Helpira lets you do.

Helpira isn't just another SaaS. It's the AI-powered platform that:

- ✓ Handles customer support automatically — 24/7 AI replies so clients never miss a question
- ✓ Improves every response — AI ensures polite, professional, and error-free answers
- ✓ Manages tickets, orders & queries — perfect for any business, from eCom to gyms, HR, agencies, tech, and more
- ✓ Collects reviews & feedback — automatically builds client credibility online
- ✓ Tracks sentiment & generates surveys — see how customers feel without reading every ticket

- ✓ Lets your team collaborate efficiently — multi-user access and full control
- ✓ Integrates seamlessly — email, CRM, and other tools connect instantly
- ✓ Freemium & unlimited accounts — give away or sell accounts to build lists and revenue
- ✓ Generates recurring income for you — resell licenses, charge setup, monthly retainers, or upsells

Basically, you get a ready-to-sell AI SaaS that businesses need and want, and all you do is position it and profit.

💡 The Helpdesk software market is booming — \$28B in 2025 and expected to hit \$56B by 2030. Businesses are already paying, and you can step in to capture a slice of that market today.

We're hosting a pre-launch webinar so you can see Helpira live, ask questions, and claim early-bird access:
