

CURRENT LYRICS

Jab jab dekhoon chashma down karke
Chhore thak jayein saare round round karke

Aaye haaye!

Haan jab jab dekhoon chashma down karke
Chhore thak jayein saare round round karke

Aafat machaye tu sabko nachaye tu
Style mein nakhre dikhati hai

Kaale baal ko gold kara ke
Bijuriya girati hai
Haan mujhe touch vach karke gori
Currentwa lagati hai

Haan kaale chashme ke peechhe
Se babua najariya ladata hai
Bin baat ke too much karke
Current wa lagata hai

Sun oh baby tight dress mein
Jab tu slowly chalti hai
Maa kasam lagta hai jaise
Poori dharti hilti hai

Baal ghuma ke jab tu mujhko
Ankhiyon se yoon dekhe hai
Upar wala confusion mein
Garmi mein baarish phenke hai

Deal tu mujhse pakki kar le
Kismein faayda tera hai
Phir na kehna chhori mujhse
Kya tera kya mera hai

Morni jaisi hilti hai tu
Kis baat ki dhaakad hai
Side mein rakh de nakhre aur
Chal khele akkad bakkad hai

Mere piche piche ghoomo
Chhore bhanwron ki tarah

Dil lagane ko yeh jhoom re
Besabron ki tarah

Ho tere piche piche ghoom
Chhore bhanwron ki tarah
Dil lagane ko khade hain yeh
Besabron ki tarah

Mere charche bade aur hain kharche bade
Har gali aur mohalle mein aashiq pade

Drama dikhaye tu sabko ghumaye tu
Nainon se naina ladati hai

Kaale baal ko gold kara ke
Bijuriya girati hai
Haan mujhe touch vach karke gori
Current wa lagati hai

Haan kaale chashme ke peechhe
Se babua nazariya ladati hai
Bin baat ke too much karke
Current wa lagata hai
