Fall 2021 DIGIT 110 Project Sign-up

Please review the semester project assignment carefully and take some time to read and browse the options first. Then sign up for a project option listed here by typing your name below it. Please indicate your first, second, and (if you wish) third choices for a project option, like this:
Your Name (1)
Your Name (2)
Note: Some projects can be split between multiple groups. I will make the final call to arrange project teams and I will try to base this on your preferences.
