

NCRE Patron Sponsor

North Central Regional Event by Mind's Eye Society Conventions

We here in the North Central Region want to offer you the best regional convention experience this year, however in order to accomplish that goal we need your help.

While we found a great hotel space we were not given the budget to provide you the members of the region with certain perks that you may have come accustomed to in your convention going in the years past.

The NCRE Convention Staff is asking for individual member(s) or domain donations at this time to aid us in providing such services* at the convention such as but not limited to:

- Catered Food and Beverage in the OOC Lounge (formerly the Hospitality Suite)
- Props and Sets for Venues
- Registration Supplies
- Additional OOC Programing

Your generous donation to the convention will not go unrecognized**.

Level 1 - \$50 - \$99 will receive verbal recognition at opening and closing ceremonies, as well as a thank you in the convention program and on the convention website, and last but not least a personal thank you from the Regional Coordinator, Regional Storyteller, and the NCRE Lead.

Level 2 - \$100 - \$199 will receive all the Level 1 rewards and in addition to that will get a one on one to chat with the Regional Coordinator or Regional Storyteller. This can be sharing a beer, or coffee, or even going out to lunch, a chance to express yourself and be heard at the highest level of the region.

Level 3 - \$200 + will receive all the Level 1 and 2 rewards and in addition to that their name will be featured outside of a convention space or game as the official sponsor of that area. Imagine having your name tied to the Vendor room, or even as the OOC host of a particular game. These are first come first serve. Send in your top 3 choices for the areas you want your name to be attached to and how you would name the areas. If there is any conflicts or issues the Regional Coordinator will reach out to the individuals. This is a first ever option to any con we have had in the North Central region. Not only will you be making an amazing contribution but you can forever tie yourself to the Con.

The deadline for participating in this opportunity is May 4th. All donations can be made directly to the Event Lead either by cash, credit card or [pay pal](#) and the funds collected distributed directly to the areas of need on May 5th.

**Any balance in funds not used for convention services will be donated the convention charities Freedom Service Dogs and the MES Scholarship Fund.*

*** These donations are separate from the MES Convention Sponsorship and **will not** receive event experience.*
