Membership Information

Welcome to the Nebraska High School Rodeo Association! Our association was formed in the early 1950s giving high school students the opportunity to rodeo. That opportunity is still available to our members with 27 qualifying high school rodeos hosted by local committees.

The rodeo season will begin in August and conclude with the National High School Finals Rodeo in July. Membership fees include your membership in the National High School Rodeo Association which governs the rules that we follow.

The Nebraska High School Rodeo Association has established procedures and policies for our organization which will vary from state to state.

National Member Portal Website
