

Everybody tell me not to say it
Everybody telling me to zip up at the same time
Everybody telling me to stay safe
Everybody telling to keep

Maine kadi bandian cha wekhi nahi sadaqatian
Tere mere beech ki jo gall hai
Saari dunya nu jaa keh kyun baata rahe ho
Farig ho they call me arrogant, super ego accelerant
It's no accident that I'm better than medicine
Chale fir kitni baari wohi baatein kare fir

Taking the heat while I'm baking the beat
Seventeen centigrade till it's well done
You will see me sell them
Money making over the horizon
Competition going into hiding
While I'm on a mission at the vanity than a million
Venezuelan movies on the mic
It's likely the illest just slightly heaviness
It might need surveillance

Sun re, sun re

Teeran wango samne siday nazran rehendian mere
Main naa veekhian sajje khabe main andi aan nayri
Teeran wango samne siday nazran rehendian mere

Nazreen oh hazrat hazreen bradran-e-millat
Aap rakhian tashreef, janab-e-awli, janab-e-awli
Janab-e-awla, janab-e-awla, aur saari khawateen
All of the ladies, muhtarma follow me
And dear muaziz saarif
All the adeeb aur musanafeen know what I mean
Wanna stream hello

Taare gin gin ke main saare raat tazi kron yaadein
Saara din karun baatain maaji ko bhula de
Kaisi the woh pyaari pyaari baatein
Agar karun ga main focus
Tere saare waade bogus hon ge

They just wanted me to stop the velocity
Hold the audacity

Baagi roh ko kaise tum sambhalo ge
Kis kis samcha main tum hume dhalo ge
Kya buzdil reh keh apna aap nibah lo ge
Jhook jhook keh phir kaise sar utha lo ge

Aa ji sun re, han sun re
Aa ji sun re, han sun re

Teeran wango samne siday nazran rehendian mere
Main naa veekhian sajje khabe main andi aan nayri
Teeran wango samne siday nazran rehendian mere
Main naa veekhian sajje khabe main andi aan nayri

Jaad vi bolna dil tou bolna
Samb saki na duniya naa duniya
Jaad vi bolna dil tou bolna
Samb saki na duniya naa duniya

Sun re, neya rukh chun re
