October 10, 2024

Hello Parents,

The music program at Talley Street is excited to use recorders in 3rd grade! Recorders will be used as a tool for learning note and rhythm reading, ensemble playing, ear training, hand and eye coordination, and just an easy and successful way to have fun making music. The purchased recorder will belong to your child and will be used in 4th and 5th grade as well. Your child will be responsible for keeping it in a backpack ready for music each week, and it may go home for practice! 👏

To order your child's recorder, please fill out the form with secured payment and return to the homeroom teacher by *Monday October 28th.* Checks may be written to Talley Street Elementary or exact cash amount. Please add your child's name on the check so we can better keep record. Donations for students in need are always appreciated. IF you are making a donation in addition to payment, please note it in the memo section. The cost of one recorder is $6.50.

Email me with any questions. tjessup@csdecatur.net
