## 14. New Business.

- a. Service Resume updates. A Motion was made to remove the language on page 2 about confidentiality.

Date: Dec 2, 2018

Motion by: Jessie C.

Seconded by: Brain M.

Motion: To remove language in service resume (on 2nd page) that states that "service resume will remain confidential, will only be shown to ASC voting members and be destroyed once voting is finished and position is filled."

Intent: Service resumes are attached to minutes and all members of the LANA fellowship can view them, so they are not really confidential, plus the minutes are not destroyed as they are digital. People filling out service resumes will not be misled into thinking their resumes will only be views by the ASV voting members and be destroyed.

Financial Impact: None
