8. Recap of Season - In this year's shortened season we had 168 games scheduled. With 128 games played which is 76% played. 29 were called because of weather and only 12 called because of Covid related reasons. There was one divisional flip between Village Blue Jay in D1 and Stone Crest in D2. While not perfect, it was considered to be a successful flip. There were no make-up games due to the shortened season. It was discussed that make-up games would be important in a normal season. Marcia stated that the season went well with only a few problems concerning umpires. Our Chairperson's words of wisdom on this was the umpires are doing the best they can for little to no pay. Also, it is best to handle discrepancies on the field in front of other managers and to address the umpire in a positive way such as...did the other umpire maybe have a better look at that play. Still their call!

9. All-Star Game - Jacqui Viers stated that next season All-Star Game would be hosted by Hawthorne. The date for the game will be determined at the 2021/2022 Preseason Meeting. Jacqui hopes to add patches for players as well as programs. Have any questions please Email her. More info at the next meeting.

10. New Business - there will be general rules meeting at SummerGlen at 9:00 on Wednesday, March 31. One person from each community, to discuss changes that need updating in our rules. Also, Lorraine Henderson would like everyone to know that Plantation would like to host Saturday morning pick-up game through the spring and early summer.

Jane Bakke of Blue Jays suggested that before the next Preseasons Meeting there needs to be a group discussion with one person per community on how to form the next seasons' divisions. Marcia Sidwell will set up a time in Sept. for this purpose.

11. Election of Officers - Marcia Sidwell stated that no one was interested in running for one of the board positions. As the current Board is willing to continue on, then you are stuck with us for another year. Show of hands and ayes voted unanimous to keep the current board.

12. Motion to Adjourn - A motion to adjourn the meet was made by Sheila Lofland of Del Webb. Chris Brown of Gold Rush seconded it. Meeting adjourns.
