

Job Posting – LinkedIn

Position:

Product Owner – Full Remote

About Us:

We are building innovative products in the fields of **Blockchain, Payment Orchestration, and Referral Systems**. Our mission is to create simple, scalable, and secure financial solutions for users worldwide.

Work Type:

☒ 100% Remote

☒ Full-time

Responsibilities:

- Write clear and detailed product documentation, user stories, and acceptance criteria
- Collaborate with cross-functional teams (Design, Tech, Business) to define and deliver product features
- Conduct research and analysis to support data-driven decision-making
- Ensure high-quality execution with attention to detail

Requirements:

- Strong written and verbal communication skills in English
- Excellent analytical and problem-solving abilities
- Proven experience as a **Product Owner**, preferably in fintech or blockchain
- High attention to detail in writing documentation and defining requirements
- Strong sense of responsibility and accountability
- Ability to work effectively in a fully remote, cross-functional team

Benefits:

- Work with an international team on cutting-edge fintech and blockchain projects
- Dynamic, challenging, and fully remote environment
- Opportunities for fast learning and professional growth
