About us:

In October 2013, we opened up our first shop in downtown Visalia, California, and haven't looked back since. Now, we have four more stores and counting! From the beginning, our goal has always been to keep the menu simple, fresh, affordable and of course, delicious. For us at QG, the guiding principles of Peace, Love, and Dillas are at the core of everything we do. By serving our community with authentic hospitality, an enjoyable environment, and quality quesadillas, we hope to make every space we're in a bit brighter—one dilla at a time.

Here at Quesadilla Gorilla located in the heart of Downtown Hanford, we're all about three things: Peace, Love, and Dillas. We pride ourselves on the fact that when you order from Quesadilla Gorilla, you know you can count on receiving authentic hospitality in an enjoyable environment while--of course--enjoying some quality quesadillas. While we are a specialty quesadilla shop, don't let the simplicity fool you! With our family recipes and fresh, locally sourced ingredients, there's something on our menu for everyone. From meat lovers, to cheese enthusiasts, to vegan foodies, to sweet tooths, we've got your cravings covered.
