We will only consider schedule changes for the following reasons:

What is the reason for your schedule change? (Sophomores and Juniors must have a minimum of 6 classes, Seniors must have a minimum of 5 classes). Only requests with a substantive reason—such as academic necessity or serious extenuating circumstances—will be considered.

- ☐ I already took the course and earned credit OR I am current enrolled in CCP this term at the college.
- ☐ I am leveling up in the class on my schedule (e.g., moving from a CP level class to Honors, AP, CCP)
- ☐ I am requesting a different elective in the SAME BELL/PERIOD
- ☐ I have 7 full bells of classes and would like to drop a bell/class for Nexus.

Student Testimonial:

"I get an early release from school and sometimes my parents have to rearrange their schedules to be able to get me from school. If I was able to get my license, that would take an ease off of them having to do it. I would also like to start looking for a job to help with some expenses around the house."
