

Beginning Orchestra Calendar 2025-2026

Beginners will have 3 concerts throughout the year. Prior to each concert there will be a rehearsal to combine all the beginning classes. In addition, we will have a reward trip and performance in late spring - date is TBA.

**** Rehearsals and Concerts are "Co-Curricular" meaning performance is part of our curriculum so students are expected to participate in all rehearsals and concerts. If an event is optional, you will see that note. Required uniform for all beginner concerts is their Orchestra t-shirt, nice jeans or pants, closed toe shoes.**
