- Last night, the girls got the party started early with Gabby Flores playing out of her mind. She was everywhere like sesame seeds on a hamburger bun with JV taking a W. Varsity kept the energy high with Lily Olivarez having the game of a lifetime. And if you are asking what about Ari's interception streak, it still lives. She is making a case for female athlete of the year. We would like to thank our boys football team who came out and supported as well as helped with the clean up. ## **Message from Maderious:**

Numerous students interested in being 6th grade camp counselors have passed the interview process and are currently being vetted by administration. 6th grade camp counselors are gone Monday, April 28 through Friday, May 2nd. Please review this [list of potential counselors](#). You are welcome to have conversations with those who have questionable grades after this first grading period to motivate them to bring up their grades in this next grading period. You're also welcome to reach out to Karla Conroy with other questions or concerns regarding potential counselors. Counselors will have study hall time while they are at camp, so they should still be getting work from their teachers to do while they are gone, even though this will not be through the Independent Study process.

- Hello Girls Lacrosse Families,

We are having our Girls Lacrosse Parents' Meeting on Tuesday, February 6th at 6:00 PM. The meeting will take place in the school library. It's essential for your daughter's success this season that at least one parent/guardian for each player joins the meeting. We will discuss uniforms, game schedules, transportation, practices, team dinners, player & parent expectations, equipment, etc. We are looking forward to a wonderful season and can't wait to meet all of you.

Thanks,

Coach Nick
