Mapping, Research, & Topography: Melissa & Kayla

Addy:

At first I was scared,
always searching for an escape,
then I met Leo,
he showed me I could fly,
and instead of looking for escapes,
I now enjoy the adventure,
like an eagle navigating clouds,
I navigate the forest,
freely and fearlessly,
because of Leo.

Leo:

I could tell she was scared,
always looking for an escape,
always looking for somewhere to go,
though I knew she could fly,
I knew what she was capable of,
I hope she enjoys our adventures,
I hope she understands her name,
that the forest is her friend,
that she can be free,
that she can be Auduago.

Fire: Taylor, Ashley, Nico

Addie

Fire

Dylan

Fire!

Raging On

Fire!

Scared,
Ready to Escape

Getting Closer

Call to Action,
I'm in Charge

I mapped it out

Spreading more

I know the way

We have to go East

Snap, Pop

We have to North

Rappel down the cliff

Mountain range
is aglow

That's a crazy, dangerous idea

Follow Me

Fire is a barrier

Follow Me
