category:
Documentary

date:
22.11.2016

summary:
In 2016, The Spatial Sound Institute presented two concerts in 4DSOUND by Mexican composer/producer Murcof<tag artist page> and fourteen classical musicians of the Listen Ensemble<tag artist page> from Paris, France. Besides the presentation of new compositions that were especially composed for 4DSOUND, Murcof and the Listen Ensemble created a spatial reintrpretation of Terry Riley<tag artist page>'s masterpiece 'In C' for orchestra and electronics that enhanced collective listening using 4DSound at SSI.
