

Banqer Primary homework is here to help start financial education conversations at home. By encouraging these early discussions about money, we can help set Kiwi kids up with financial wellbeing for life.

With the support of Champion Partner Kiwibank, Banqer Primary is available at no cost to primary schools throughout Aotearoa. For more information, or to sign up to parent updates, visit <https://primary.banqer.co/>

Careers & Employment Homework

In this activity you will be asking your parents or caregivers about their different jobs in their lives.

1. What did you want to do for a job when you were a child?

2. How long have you been working at your current job and what do you do?

3. What are some of the things you have to do as part of your job?

Extension Questions:

1. What would you (not your parents) like to do as a job when you are older? Research what you will need to study/train for in order to do that job.
2. Research someone who does a job you're interested in and find out about them and how they got started.
