

1) Using the Remote, Turn on the TV

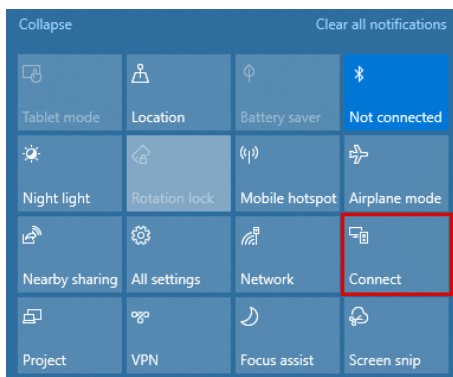

2. There are **3 ways** to connect - choose one:

- On your Lenovo device, click on **notification** icon (bottom right) 
- **Swipe from the right side** of the screen to show the *Action Center*
- Press **Windows + A**

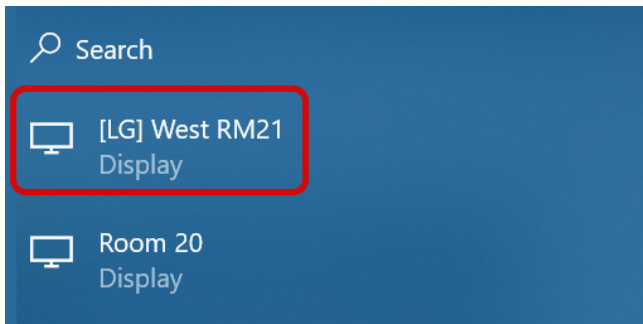

3. Select **Expand**. You only need to click Expand the first time.

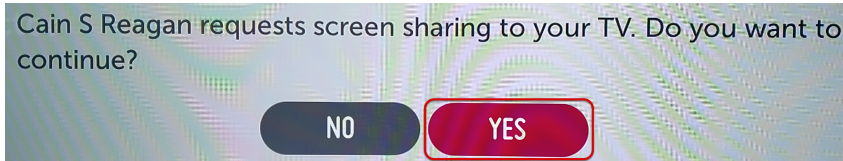

4. Select the **Connect** button (note, the location of the Connect button may change from device to device).

5. On the next screen, select the appropriate LG TV that you would like to connect to (ex. [LG]- West RM21

5. On your TV, using your Remote, Click Yes

Note: There is no pairing code to enter

* [Connecting your Document Camera to your Lenovo](#)
