- It was approved to move our MS S&E date from Apr 16th to Apr 23th, 2022 to avoid Easter weekend. (Still to be hosted by Northpointe Christian)

B&O Festival: Continued flexibility and options for 2021-2022 during rebuilding

- Directors may choose any classification / required list
- Directors may choose to perform 2 or 3 pieces (indicate at registration)

S&E Festival: Continued flexibility and options for MS events

- Districts have the option to hold their MS S&E events virtually, if they choose (particularly fall, due to hosting concerns)
- High School S&E will return to normal in-person events this year (2021-22)

State Jazz Festival: Will be offered as both in-person AND virtually for Spring 2022

Marching Band Festival: Will continue to eliminate the time minimum for Fall 2021. Also, adjudicator form has been updated.

 - *Edit from mid-August: Check option still available if needed*
- From Equity Committee: MSBOA will now provide implicit bias training for prospective and current adjudicators. Possible future steps to be taken to represent smaller schools/districts more equitably in All-State and MYAF.
