

Tiger Tiger: A Celebration of our AANHPI Communities

July 22, 2023 | 2PM - 9 PM | [Fernhill Park](#) 6010 NE 37TH Ave, Portland, OR
FREE

Tiger Tiger is a community festival uplifting and celebrating Asian American, Native Hawaiian, and Pacific Islander voices in the greater Portland area. Rather than focusing on preserving traditions, Tiger Tiger is about exploring AANHPI identities as they exist now.

Food. Music. Movement. Poetry. Interactive Art.

The only “authenticity” we seek is to be true to our lived experience as Pacific Islanders, Native Hawaiians, and Asian-Americans. Tiger Tiger is a space for AANHPI created by AANHPI: a place of healing, celebration, and simply being without explaining.

A family-friendly event, we’re here to be in community with each other. Young and old, immigrant or fifth-gen, underserved or privileged, Tiger Tiger welcomes all to be radically joyful at this free festival.

[SUPPORT TIGER TIGER FESTIVAL!](#) We are raising funds to support this *free* community festival. Our goal is \$15k. If 1500 people donated just \$10, we’d cover our costs. Your support helps us keep this event free and supports our **BITE TIX** program that provides a free meal to attendees who are experiencing food insecurity.
