Share your scores with us!</div>
<div>12pm</div> <div>(1 hour)</div> <div></div>	<div>Lunchtime</div> <div>What is for lunch today? Perhaps you could help Mum or Dad to make lunch. <a href="https://www.jamieoliver.com/features/category/get-kids-cooking/">https://www.jamieoliver.com/features/category/get-kids-cooking/</a></div>				
<div>1pm</div>	<div>Quiet reading - Aim for at least 15 minutes or one chapter.</div>	<div>Have a go at this week's <a href="#">Music lesson:</a></div>	<div>Fill out a book review - <a href="#">Online</a> <a href="#">On paper</a></div>	<div>Have a go at this week's <a href="#">Computing lesson:</a></div>	<div><b>Feel good Friday</b> Click on the link and watch the <a href="#">Disney Pixar short.</a></div>

<b>Learning Project:</b> <u><b>Animals</b></u>	The project this week aims to provide opportunities for your child to learn more about key animals they are interested in. Learning may focus on exploring the physical aspects of an animal, their habitat, categorising animals etc.				
<p><b>1.30pm Project Activity (1 hour)</b></p>	<p><b>Wildlife Watch</b> Can you attract some wildlife into your outdoor space? <b>Try creating</b> A <a href="#">bird Feeder</a> or a <a href="#">butterfly feeding table</a>.</p>  <p>Can you use the identification kits to count how many different species of <a href="#">butterflies</a> and <a href="#">birds</a> visit this week?</p> <p><b>Super challenge:</b> Make your own <a href="#">mini wildlife pond</a> or <a href="#">bird hide</a>!</p>	<p><b>Animal Adaptations</b> <b>Try this <a href="#">Kahoot</a></b></p> <p>1. <a href="#">Video</a> Find out about how animals are adapted to their environment.</p> <p>2. <a href="#">Play</a> Design then make or draw your own amazing animal.</p>  <p>What adaptations will it have?</p>	<p><b>Animal prints</b></p>  <p>Can you recreate animal prints using things you have in your home? You might sketch, paint, sew or collage your print.</p> <p><b>Challenge:</b> Create your own animal print for a mystery animal. What animal might it be for and how would it help them to camouflage in their environment.</p>	<p><b>Where do animals originate from?</b> Can you find out where in the world these animals live? Draw the animal in the correct location on the <a href="#">world map</a>.</p>  <p><b>Challenge:</b> Choose three animals and find out why they live where they do. Do they have any helpful adaptations?</p>	<p><b>Model Life Cycles</b></p>  <p>Research the life cycle of a mammal, an insect, an amphibian, a reptile and a bird.</p> <p>Can you draw or build a model to show the most interesting life cycle you discovered? You can use anything around the house such as playdough, craft materials, recycling or even paint pebbles.</p> <p><b>Challenge</b> Try this <a href="#">Kahoot</a> to test your life cycle knowledge.</p>

	<p>Well done on your fantastic learning today! Don't forget to share it with us.  <a href="mailto:cfy5homelearning@leoacademytrust.co.uk">cfy5homelearning@leoacademytrust.co.uk</a></p> <p>If you are not ready to finish your learning for today check these extra resources out!</p> <p>Now it is time to play! Enjoy :-)</p>				
<p><b>Daily Challenge:</b></p> 	<p><b>Be Active</b></p> <p><b>Wartime dancing -</b> Learn to Swing Dance in time for VE Day. Can you copy any moves from this <a href="#">wartime dance</a>!</p> <p><a href="#">Charleston swing step</a> <a href="#">Shorty George step</a></p>	<p><b>Get Cooking</b></p> <p>Can you make anything for Friday's VE day celebrations?</p> <p><a href="#">VE Day Pack</a></p>	<p><b>Investigate</b></p> <p><a href="#">Make a paper plate sundial.</a></p> 	<p><b>Craft</b></p> <p>Create a habitat in a box. It could be for the animal you designed.</p> 	<p><b>VE Celebration!</b></p> <p>Plan and host your own VE day celebration for your family.</p> <p><a href="#">Make your own bunting.</a></p>
