

Creative Video Producer and Editor

Location: Hybrid Lagos or Abuja

Type: Full time

About the Role

We're looking for a visual video creator, editor and producer who can take a script and instantly picture the angles, the vibe, and the shots that make people stop scrolling. Someone who can confidently direct, shoot crisp visuals, and turn everyday spaces, whether a bright office or under the Lagos sun into scenes that feel cinematic.

You'll be the creative engine behind our videos: podcasts, interviews, ads, social skits, and brand stories. From concept to camera to edit, you'll make content that looks intentional, stylish, and unmistakably ours.

What You'll Do

- Plan and direct shoots for social content, ads, skits, events, and marketing videos.
- Operate the camera with confidence and creativity.
- Set up lighting that makes every shot pop, even in tricky spaces.
- Work with our creative team to bring scripts to life visually.
- Guide actors, staff, or guests so they feel natural on camera.
- Choose locations, angles, and moods that fit the brand story.
- Edit and deliver polished, engaging videos.
- Add your creative flavor to everything the lens captures.
- Work with diverse brand styles and tailor it to meet client needs.

What We're Looking For

- Bachelor's degree in a related field.
- 2 years' experience shooting and editing videos with a PR, content production, or video agency
- Strong understanding of framing, lighting, and composition.
- Ability to work with small crews and still deliver high-quality visuals.
- Understands global best practices and has the ability to resonate with business communities and international partners
- Experience shooting content for brands, ads, or social platforms.
- Creativity that's bold, execution that's clean, and vision that's big.

- You can adapt output to different brand styles and global best practices
- Bonus: Motion graphics

Why You'll Love Working With Us

- You'll work on exciting projects for international clients
- You'll have freedom to try new ideas and experiment with visuals.
- You'll join a supportive digital team that understands real creativity.

Perks

- Group insurance.
- Birthday celebrations.
- Awards for top performance.
- Hybrid working.
- A supportive team that lets you experiment and grow.
