Subject: Application for the approval of an Educational tour

Dear Sir,

With due respect and humble submission, we, the students of DoEEE of 3rd year, present to you plan we have envisioned for the educational tour as an experience supplement to our academic requirements and for field observations.

Being enrolled in a highly practicality demanding faculty, the horizon of knowledge of students pursuing this field expands through several extracurricular activities conducted in accordance and demand of the course. We are trying to trace a path of practicality through theoretical background, we made within this institution by organizing a tour of rural Nepal. Keeping all these views in mind and analyzing the importance of educational tours in students' life, we request you to approve the tour so far has been proposed. Beside the approval of this important tour, we are also seeking for a genuine help and grant as per the rules of Kathmandu University. We are at least hopeful to get transportation available from the University and also our teachers from the faculty to supervise us and help us understand and achieve our desired goals.

The tentative route for the travel as proposed by us is also enclosed along with this application.

Looking forward to your positive response.

Thanking you!

Sincerely,
EE 3rd year 2nd Semester Students
