

Math Night/Festival - March 4, 4:15-7:00

Good day Approved Volunteer,

Galammer is excited to host our annual **Math Night / Math Festival** on **March 4 from 5:00–7:00 PM**, and we would love your help to make it a success. We are looking for **10–20 volunteers**, with volunteer time running from **4:15–7:00 PM**. There are 10 stations. Once the festival begins, most stations run themselves, so volunteers can participate and enjoy the activities together with occasional check-ins on their station. The main volunteer support will be from **4:15–5:15 PM** for training and getting stations set up.

This year's Math Night/Festival is hosted in partnership with the [Julia Robinson Math Festival](#) (with thanks to HMF for funding). After participating for the past three years, I can confidently say this event is truly for the whole community. The activities are engaging for all ages and all math levels — I've even seen students outsmart their parents at some stations. It's a joyful, hands-on evening, and I encourage you to bring the whole family.

Here are the flyers for additional information: [Galammer Math Festival \(spanish\)](#)

Best,

Mr. Bingham, Hammer Principal

Wednesday, March 4, 2026 from 4:15 - 7:00pm

| | Volunteer Name | | Volunteer Name |
|-----|---|-----|----------------|
| 1) | Holly Atkinson | 11) | |
| 2) | Lydia Petrovic | 12) | |
| 3) | Katy Bosworth (*available 5-7pm because GOTR coach) | 13) | |
| 4) | Crystal Daud | 14) | |
| 5) | Mia Vandermersch | 15) | |
| 6) | Brian Webster | 16) | |
| 7) | Wendy Jones (*4:30 arrival) | 17) | |
| 8) | Martin Brown (6:30 Departure) | 18) | |
| 9) | | 19) | |
| 10) | | 20) | |
