Dear Parent/Guardian,

The Clay County School Board met on September 28th to discuss growth and development districtwide. Within this workshop, the school board and district leaders reviewed rezoning options to alleviate overcrowding at Oakleaf High School. It has been recommended that your neighborhood be rezoned starting the 2022-23 school year from Oakleaf Junior High School to Orange Park Junior High School. Rising 8th graders (current 7th graders) will have the option to remain at Oakleaf Junior for their 8th grade year only and then be required to attend Orange Park High School beginning 9th grade year.

You are invited to attend a Community Meeting on:

Monday, October 25, 2021 6:00 p.m.

Orange Park Junior Cafeteria

1500 Gano Ave

Orange Park, FL 32073

Social distancing and face coverings are recommended at this meeting for all in attendance.

The meeting will be recorded and posted to district platforms for those who cannot attend.

Agenda:

- Presentation on Rezoning Oakleaf Junior High School to Orange Park Junior High
- Q&A: School board, district leadership, OLJ and OPJ administration

The maps and meeting links showing the area that could be rezoned can be found on the Clay County District Schools' website following the community meeting on Thursday, October 25, under the following: www.oneclay.net , Parents, School Rezoning.

Warm regards,

Jim Fossa
