

My Stories Privacy Policy

Effective date: 07 May 2021

This privacy statement describes how **My Stories app** collects and uses the personal information you provide. It also describes the choices available to you regarding our use of your personal information and how you can access and update this information.

Collection and Use

- **We don't collect any personal information from you:**
- We don't collect contact information such as name, email address, phone number.
- We don't collect unique identifiers such as user name, account number, password.
- **We collect only anonymous information:**
- Preferences information you provide such as product settings or content interests, or communication or marketing preferences.
- Usage activity about how you interact with us such as purchase history, screens opened, features used, what content you viewed, and which areas of our application you visited.
- Device information such as your mobile device id (similar to a website IP address), device type, operating system, and mobile service carrier.
- **We use this information to:**
- Assess your needs to determine suitable products or services.
- Respond to customer service requests.
- Send you push notifications when you are using our app. If you do not want these notifications, you can manage your preference either through your device or app settings (on Settings screen). You can also contact us at hello@readmystories.app.
- Improve our App.
- Conduct research and analysis.
- Respond to your questions and concerns.
- Display content based upon your interests.

Tracking and Ads

We don't show any ads in the app.

Notification of Privacy Statement Changes

We may update this privacy statement to reflect changes to our information practices. We encourage you to periodically review this page for the latest information on our privacy practices.

Contact
