

Student Presentation Feedback Form

Phoenix and Beauties, Woodblock Print by Kitagawa Utamaro

Name of Student Presenting: Antria Theodourou

What is the project about? What theme are they using and what is the concept? Was this easy to understand?

Jo: expressionism - building with two towers (offices and commercial spaces)

Salman: building from two towers
One towers shops and cafes
Two towers: offices
Theme: Experineisom

Agata: She will create a two towers building in abstraction design from mondrian with expressionism theme, using for shops and cafes, and offices

How did they develop their initial ideas into their project idea? Was the initial research and development well done?

Salman: She done many research about materials
Research:
Wassily kandinsky
Buro ole sheeren

Frank gehry
Jo: yes, research done about buildings that were inspiration for final work and a lot of research
Agata: Her initial research is about Wassily kandinsky ,Buro ole sheeren and frank gehry
What research did they discuss in relation to their project? I.e. which artists or designers and what techniques?
Salman: Wassily kandinsky Buro ole scheeren Frank gehry
Jo: frank gehry, wassily kendinsky, buro ole sheeren + research of galaxy soho building; practice in sketchup programme so digital techniques
Agata: Wassily kandinsky, Buro ole scheeren, Frank gehry,
Do you think that the student had good research? What could be improved?
Salman: Yes she done good research
Jo: yes, good research and there is more research planned to do
Agata: good research about artists, architecture, and she will do more
What new skill or technique was the student learning through creating this project? Do you think that the student is challenging themselves through this project work?
Salman: She works on sketchup pro and learning new techniques.
Jo: sketchup programme and sketches in 2 point perspective but not for this project; I think yes, because Andria learnt how to use sketchup programme by herself
Agata: she learnt sketchup programme

Did the student have any final pieces of work? What did you think of this/these?
Salman: yes her outcome looks good.
Jo: yes, she have most of final pieces, all the ones covering the building and she will have more with parking lot
Agata: yes she has and it looks so great, no presentation but all was clear and easy to follow
How well did the student present the work? Please give a score out of 5 with 5 being the highest
Jo: 4/5 because she had no presentation but everything was clearly explained by using blog
Agata:
How would you mark the students' project at this stage? Please give a score out of 5 with 5 being the highest
Salman: I think her work very good and really organised and clear 5\5
Jo: 5/5 because she is following her plan, everything seems to be well planned
Agata: 5/5 i like her idea, develop and research, everything looks clear and very nice
Please write any further comments here... (for example on how the work was presented, the clarity of the presentation etc)
Jo: I think Andria could consider doing research about Mondrian as this was what first came to my mind by looking at the colours she used.
Salman: the presentation was good and the ideas are clearly
