

**ARTIFICIAL INTELLIGENCE (AI) USE STATEMENT****Article Title: [Title of the Article]****Corresponding Author: [Full Name]**

I, the undersigned, hereby declare the following regarding the manuscript titled "[Title of the Article]" submitted to *[Your Journal Name]*:

1. In preparing this manuscript, I:

- ☐ **Did not use** any Artificial Intelligence (AI)-based tools.
- ☐ **Used** AI-based tools for the following purposes (please check all that apply):
  - ☐ Grammar/spell checking or language editing (e.g., Grammarly, QuillBot)
  - ☐ Drafting or outlining the manuscript
  - ☐ Data analysis or visualization
  - ☐ Others: \_\_\_\_\_

2. I confirm that:

- No part of the manuscript was entirely generated by AI without review, editing, and accountability by the authors.
- The authors take full responsibility for the accuracy, originality, and integrity of the content.
- The use of AI does not violate research ethics, authorship criteria, or publication integrity.

3. I understand that any false or misleading statement regarding the use of AI tools may result in the rejection or withdrawal of the manuscript from the publication process.

This statement is made truthfully and voluntarily.

**[City], [Date]**

Sincerely,

(Signature)
