

Il Contributo dei Giovani Chimici in Campania

Edizione 2026

Template of One-Page Abstract - Title

First Author ^{1*}, Second Author ²

1 - Affiliation for the first author (University, Department, Address)

2 - Affiliation for the second author (University, Department, Address)

The length of the abstract should be one page (about 500-600 words). The abstract should be formatted for A4 paper (210cm by 297cm) with 2.5 cm margins on all four sides. Use a 16 point Times New Roman Bold font centered for the title of the abstract, a 11 point Times New Roman font either justified or left flushed for the text, a 11 point Times New Roman font for keywords, a 11 point Times New Roman Bold font for author names, a 10 point Times New Roman Italic font either justified or centered for author affiliations, and a 9 point Times New Roman font for contact information of the corresponding author. It is preferred to have less than 5 keywords. The abstract text should be typed single spaced. All abstracts must be written in Standard English and must conform to accepted usage, grammar, and syntax.

Keywords: *template, writing style, abstract*

* Corresponding author: author 1, e-mail contact
