D G A D G D A

D G

In the chilly hours and minutes

D G

Of uncertainty, I want to be

D G A D A

In the warm hold of your loving mind

D G

To feel you all around me

D G

And to take your hand along the sand

D G A D G D A

Ah, but I may as well try and catch the wind

D G

When sundown pales the sky

D G

I want to hide a while behind your smile

D G A D A

And everywhere I'd look, your eyes I'd find.

D G

For me to love you now

D G

Would be the sweetest thing, would make me sing

D G A D G D

Ah, but I may as well try and catch the wind.

When rain has hung the leaves with tears

For standing in your heart

Is where I want to be and long to be
